### Our Letter from Washington.

WASHINGTON, D. C., Feb. 28, 1880. An important decision has been rendered by the Supreme Court of the district of Co-

measure to prevent the prosecution of illicit distillers, while Mr. Blackburn of Kentucky, -Philadelphia Lalger: The report of the has one which provides for the abolition Auditor General on the finances of Pennsyl. of the tax on toloroco and another which is vanis comes with a new feature this year to reduce the tax upon distilled spirits to in the list of corporations in the State, reg. 50 cents a gallon. Hon. Wm. Hill, of Ohio, stered under the act of June last, which does not approve of corners in the grain to register. Building and Loan Associations ascertain what action, if any, can be taken furn the most numerous class of corpora- by Congress to prevent such precedures. One of Foreign and American tions now registered. They number alto, of the schemes that is being advanced in gether 990 in the State, and, of these 429 connection with the Wood Refunding bill is Manufacture, which we will have their offices in Philadelphia. Each to see bonds bearing 3 per cent interest in run off at very low prices, in of these societies has an authorized capital an amount to the aggregate sum of the U. Setts. of \$1,000,000, and they probably have an S. bonds now outstanding and for the Secreaverage paid up fund of from \$50,000 to tary of the Treasury to issue these 3 per cent. \$100,000 each. the average of Philadelphia | bonds in exchange for the present outstandsocieties being considerably higher than that ing loans whenever they mature. These 3 of societies in the smaller towns of the State. per cent, bonds are to run without limitation The fund really means the savings such as, as to time, but the Secretary is to invest the in other cities, would be put in savings funds surplus revenues in them as soon as the so that it may be assumed that thruly Penn. higher rate of bonds have been refunded and sylvanians have at least \$50,000,000 invest- canceled. In connection with this proposily ulnety per cent. of this money goes to buy or build houses for the members, many of whom succeed in purchasing homes for themselves. The five hundred societies in Philadelphia have probably two hundred in dividual members each, making one hundred houseand members, but some of these belong to two, three or more societies, as that ed in these co-operative societies. Probab- tion, it is asserted that a measure will be belong to two, three or more societies, so that
the actual number of individuals belonging
to the societies is somewhat less. They include men, women and children, housewives event. The railroad companies are still comand young folks preparing for marriage free ing to the front with their politions against questly taking a few shares that they may the reduction in the rate of duty upon steel save money for special objects. It is also rails. The memorials on this subject thus customary for fathers to take a single share far represent an aggregate length of 20,000

to the son or daughter quite a nice little Congress regarding the bill to appropriate a sum at the end of twenty one years, either sufficient sum of money to supply the defor a marriage dowry or to start them in diseasey in the Star route Mail Service. The Augusta, Maine, amount asked for by the Postoffice Department is \$1,700,000. The bill now pending appropriates \$990,000 and directs a re uetion of service on certain routes west of the Mississippi Blver. A bill has been introanced in the Senate by Mr. Harris of Ten nessee for the construction of a railroad in The Senais Committee on Agriculture and across the Indian Territory from Fort has lately been giving considerable attention Smith on the Arkansas line to Arkansas to the subject of producing rainfall by ar- City on the Kansas line. The capital stock tificial means. Gen. Daniel Ruggles, ot of this read is to be \$2,500,000. The Com-

BEST IN THE WORLD! NO HAMMER &

Which is the same thing.

Which is the same thing.

Impure Saleratus or Bi-Carb Seda
which is the same thing; is of a slightly dirty white color. It may appear
white, eramined by itself, but a
COMPARISON WITH CHURCH &
CO'S "ARM AND HAMMER" BHAND
will show the difference.

See that your Saleratus and Baking Seda is white and PURE, as
should be ALL SIMILAR SUBSTASCES used for food.

CES used for food.

A simple but severe test of the comparative value of different heads of isoda or saleratus in to dissolve a dessert spoomul of each kind with about a pith of water (hot preferred) in clear glasses, stirring until sit is thoroughly dissolved. The deleterious insoluble matter in the interior Boda will be shown after suttling some twenty minutes or sooner, by the milky appearance of this solution and the quantity of floating floody matter according to quality.

Be sure and sak for Church & Ce, w Eoda and Saleratus and see that their name is on the package and you will get the purses and whitest made. The use of this work and whitest made. The use of this with soursuits, in preise see to Baking Forder, saves a weathy times its see.
