FARMERS' COLUMN.

PARM NOTES -The peach trees are budding in Dela-

-The fowl house should be warm, yet ventilated.

-Keep your fawls under as even temperature as possible. -Eggs for aithing should be from healthy

adult birds, not related. --Ashes or saltpetre, if applied in time, will hold the onion magget in check.

-In several counties of this State the farmers are preparing for spring work. -- Up in Somerset county the tobacco rais

ers are getting ready to sow tobacco seed. -The Fall Fair of the Delaware Agricul-

week in September. -It is reported that the faily loss to the false to themselves. inhabitants of the city of New York from adulturated milk amounts to \$10,000.

-In Lohigh county sunkes crawled out of their holes last week to enjoy the sunshine. Those that were seen never went

buck.

-Ewes zometimes need assistance in par turition. They should be carefully watched, and if anything is wrong help should be promptly given.

-A correspondent of a Western paper recommends an ointment composed of equal parts of lard and gunpowder as a remedy for seratches in horses, to be used daily until cured.

This a good plan we call show or spring grafting the first open spell, and bury away suppressed and irregular Mensturation, &c. An old and reliable remedy. Send postal card for a pamphlet, with treatment, cares, and certificates from physicians and patients, too late.
 —Mr. R. A. Tilden, or Norwich, Conn., has a Durham bull calf, 4½ months old,

has a Durham bull calf, 11 months old, weighing 469 pounds, which in the last 30 days has gained 90 pounds in weight-an tence which is much more contemptible

average of 31 pounds daily. -At a recent agricultural meeting in New and inciting to rist. He is charged with Haven the production of sorghum was dis- the public atterance of obscene and profane nassid, and it was stuted that several farm | language, which, with his abuse and threats, ers of the State are to try the experiment on constitutes his chief stock in trade. It will an extensive scale.

-A lady correspondent of the Detroit Post man punished for such a vulgar offence as watered her tomato plants with a weak so- that. lution of copperas (one pound to eight gallons of water), with the result that the fruit

-To avoid abortion in cows, when about N. Y. N. Y. 149 Powers' Block, R. 12 with meal will supply the need.

to bring forth, give each one a box stall, with -- What constitutes a "rooster," puzzled plenty of straw, light and air, and moderate some of the lawyers in the Riot bill bribery rations of rowen and roots. Overfeeding and cases at Harrisburg, but they were not neglect of proper care previous to parturition Philadelphia lawyers. Senator Carpenter, of Wisconsin, however, hit upon the rathe are frequent causes of abortion.

SPEEK'S THEN AND TRAT. -A gentleman was promenading the PORT GRAPE WINE street with a bright little boy at his side, Used in the principal Churches for Commuwhen the little fellow cried out, "Oh, pa, there goes an editor !" "Hush, hush I" said nion purposes.

man-God only knows what you may come o set." ACROSTIC.

ACROSTIC. ACROSTIC. Would'at them my friend good health'enjoy Each day and hour your time employ Scenre repose from sickness, ills, This them can'st do-take Liver Pills; & dost thou suffer from disease, Caused by exposure, diet 7 these, Or other Ills, whate'er their name, Schmid at name and hense their name, Submit at once, and leave the frame, Like shadows darting o'er the bills. In terror flee from *Licer Pills*. Vice like although they've clung for years, The like although they we can be the year Encouraged be, nor yeidd to learn, Repose in quiet, health's bright rills Persue the pathway of these Pills. In childhood, youth, and in old age, Let cheerful thoughts thy mind engage. Let others antfor-fevers, chills, Sure thou art free with Liver Pills.

"Gentlemen," said an auctioneer, with true pathes, "if my father and mother stood where you stand and did not buy this stewpan-this elegant stewpan going at \$1-1 tural Society will be hold during the last should feel it my duty as a son to tell both of them they were false to their country and

derstood. It is uninfluenced by motives tha do not appear on the surface; it has no opin ions to sell, save those which may be had by any purchaser with two cents. It hates in unnecessary words. It abhors frauds, pitte fools, and nincomposes of every species. I will continue throughout the year 1880 is chastise the Brast class instruct the second, and discountenance the third. All honest mean with bonest convictions, whether sound on instakes are its friends. And True Syrs makes no bones of telling the truth to its friends and about its friends whenever occa-sion arises for plain speaking. ion arises for plain speaking. These are the principles upon which Tu-tex will be conducted during the year to The year 1880 will be one in which no patri-olic American can afford to close his eyes to public affairs. It is impossible to exaggrerate the importance of the political events which it has in store, or the necessity of resolute vig-linnce on the part of very clitters who desires to preserve the Government that the founders yave us. The debates and acts of Compress, the ulterances of the press, the exciting con-tests of the Republican and Democratic par-ties, now nearly equal is strength throughout the comtry, the arrying drift of public semi-ment, will all bear directly and effectively upon the twenty, the arrying drift of public semi-ment, will all bear directly and effectively upon the twenty, the arrying drift of public semi-nests of the Republican and Democratic on the contry, the arrying drift of public semi-ment, will all bear directly and effectively upon the twenty down the Argen and the semi-nest will all bear directly and effectively upon the twenty for the nation, as expressed at the public, was thwarted by an about mable con-spiraty. the promoters and benchicaries of which still hold the offices they stole. Will the public was the stole, they stole, will the transit hold the offices they stole. Will they all was the stole of the same mode are now in-tromched at Washington. The Six still some-thing toward disologing the gang and break-ing its power. The same men are now in-trouched a disologing the gang in the stores. Thus, will be on hand to chronicle the facts as they are developed, and to exhibit them clear and tearlessity in their relations to experi-ace and right. Thus, with a habit of philosophical good amore in looking at the minor adhairs of dic-maintain the rights of the people and the principles of the Constitution relation in the principles of the Constitution against all ag-ressors, The Sux is prepared to write a runtful, instructive, and entertaining history ot asso. The Carbon Advocate The year 1850 will be one in which no pati
