LEHIGHTON, PA. SATURDAY, MAY, 8, 1880

-The public debt statement for April shows a reduction of \$12,078,070.

-Mai, General Samuel P. Heintzleman died in Washington, on Saturday, aged 75

-Thos. A. Scott resigned the Presidency of the Pennsylvania Railroad Company on Saturday.

-Fred. Hassaurek, editor of the Cincined for a second term.

The police arrived in time to protect the greatly increased. Some legislation is cerman, but they were repeatedly attacked tainly necessary and should be instituted at tailves give the Committee on Commerce with stones, and many were seriously in- an early day to put a stop to this wirelessle charge of what is known as the River and jured. Speeches were made made by ofdetain, but the mob increased in size and possening. Jersey City were accordingly put under arms, and a special train was made ready. In the afternoon, after nine hours of parley with the rioters, the prisoner was smuggled off to Newark in a coach, through the strategy of Father McNulty, a Catholic priest, who had just addressed the rioters.

The Hancock association of New Orlean which fourteen reasons are given why Gen. W. S. Hancock should receive the presi dential nomination, as follows: 1. He is a true exponent of democratic

duties of a well rounded life, in which are singularly blended the highest type of the American soldier and the splendid exem-

4. He is personally the most popular man His nomination would scure thousands of votes from union soldiers who would sup-

tending factions in New York.

He can carry the State of Pennsylvania.

His nomination would create such en

Sun, sums up the result as follows: It was very satisfablory. and value of the results of the late Demo-

and value of the results of the late Dentocratic Convention, in the midst of the turmoil and excitement which promised so
south evil, and yet ended in so much good.
As between Sonator Wallace and Speaker
Randall, perhaps the vote on the unit rule
was the best test of the strength of each, and
that was very close. Mr. Wallace made a
determined fight for the imposition of the
unit rule, while Mr. Randall led the opposition;
they personally led their respective forces,
and it was the only occasion upon which made up the issue weeks ago, and be had the month, nose, ear and open wounds.

the cysier and the Wallace men the shell, but it took the cysier away from the latter, who had it in possession, in order to give it to their enemies. It recognises the success of the revolution in Philadelphia, and seat the place of the lithography, except that a sine pales is used in the place of the lithography, except that a sine pales is used in the place of the lithography, except that a sine pales is used in the place of the lithography, except that a sine pales is used in the place of the lithography, except that a sine pales is used in the place of the lithography marshals in the same manner as in the vetoed bill be provided in the place of the County the same manner as in the vetoed bill be provided in the place of the County that is a sequence of Self Asime.
