on the hill, which would have proved serious had it not been for the brave men who hastened to the scene, and with considerable

monies to be observed on the afternoon of Peccention Day. The line of parade will form in front of the public school house here, at 12:30 o'clock. Men of Carbon who have filled the ranks in aid of suppressing the slave holders' rebellion have a grand record; and it will stand for all time to come as a noble monument to the patriot-ism of little Carbon. We can safely say ism of little Carbon. We can safely say
that in proportion to her population little
Carbon's record is unequalled by any county
in the State; and probably not surpassed by
sing community in any other state. She not
only furnished more men in proportion to
her voting population, but her record of
soldiers is unsurpassed in point of bravery
and endurance. While we participate in
decorating the graves here, let us also renamine those loved ones who rest nearly. South; while we mouth the loss of so many of the noblests of our country; while fathers and mothers cherish the memory of patriand mothers cherish the memory of patri-otic sorts, and widows and orphans that of husbands and fathers, we have the one proud consciousness that during a period of danger such as few nations have ever wit-nessed, we were true to the legacy entrusted to us by the founders of this great country.
With these views let the memory of our
burned soldiers in the South be also ever sacred in the hearts of the American people.
