What the World has been

Wanting for Centuries.

The greatest discovery of our day, so far as a

arge portion of Lumanity is concerned, is CAR BOLINE, an article prepared from petroleum, and which effects a complete and radical cure in case of

baldness, or where the hair, owing to diseases of

the scalp, has become thin and tends to fall out,

cures a luxuriant growth of hair, it also brings back

ditton of the scalp and the glands which nourish the

hair. To arrest these causes the article used must

possess medical as well as chemical virtues, and the

change must begin under the sculp to be of perma-

nent and lasting benefit. Such an article is CAR-

DOLINE, and, like many other wonderful discov-

eries, it is found to consist of elements simost in

their natural state. Petroleum oil is the article

which is made to work such extraordinary results; but it is after it has been chemically treated and

completely decolorized that it is in proper condition for the toilet. It was in far-off Russia that the
