STEALTH AND RECREATION.

all work and no play makes Jack a all lay, a con of these common myings which we seem bound to accept, whether we like it or not. It is a truthful saying and an untrothful, a wise saying and an unwise, according as one word in it is interpreted, and that word is PLAY. It play really means play in the strict sense of the term, as it is defined for us in the dictionaries--viz: "As any exercise, or series of exercises, intended for pleasure, amusement or diversion, like blind man's buff"; or as "Sport, gambols, jest, not in earnest"-then, truly, all work and no play makes Jack a dull boy and Jill a dull girl.

But in these days there is a difficulty in accepting the saying as true, because the idea of play, especially when it is expressed by the term "recreation," is not always represented in the definition I have given above. We now often really transform play into State then the people of the work; and our minds are so constituted How shall we define it? What is play or

B. J. KENDALL & CO. Gents — In justice to you and mused I think I ought to set you know the property of the control of the south to set you know the set of the south to set you know the form of the south that I have owned the horse to left mouths. It took me four mouths to take the larve one off and two for the small one I have used ten bottles. The horse is entirely well not at all stiff, and no numer to be seen or right. This is a winderful medicine. It is a new thing here, but if it does for his what it has cone for me its sale will be very great.
