# WASHINGTON.

OUR SPACIAL LETTER.

WASHINGTON, D. C., Feb. 19, 1881. This has truly been a most remarkabl winter in Washington. After having sleighing for several weeks-an almost unheard of thing-people went sailing in boats in year, was firmly believed by Emma Vander- Penua, avenue last Saturday. It appeared smucker of Bucks, Onio, and it made her in the morning as though the cataclysm, to insanc. She went to religious meetings, and | which it is supposed Mother Shipton's prophcloquently exhorted the people to prepare esy refers, had come without warning. By for the great event. She moved her hearers the time people were stirring out of their houses, the streets leading south from Pennecome converts to Christianity. Pastor sylvania avenue were canals. The water Hadden says that, knowing the girl's lu- was two feet deep on some portions of Pennpacy, he was in doubt what to do, but constuded to let her go on, and a tremendous enth streets, where the water rose through the sewers. The water began to subside about three o'clock Sunday morning and --The population of the United States is ran out of the streets very fast, so that before national approximate returns the day was far advanced the city had assumed its old appearance. The flood had In the Senate Friday, the credentials of Males, 25,520,582; females, 24,032,214; its humorous as well as its serious side; but Senators elect Van Wyck, of Nebraska, and in spite of the weather the usual winter's Miller of California, were presented and foreign born, 6,667,366; whites, 43,494,877; gaieties have gone on with much of the filed. Mr. Vest introduced a bill to incorpo colored, 6,577,151; Indians and half-breeds usual spirit. The public receptions at the rate the Interceanic Railway Company (the not in tribal relations on reservation under the care of the Government, 65,122; Chinese, lave attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the parlors over which Mrs. Hayes presides with various amendation of the parlors over which Mrs. Hayes presides with various amendation of the parlors over which Mrs. Hayes presides with various amendation of the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various amendation of the Government, 65,122; Chinese, have attracted great companies of people to the parlors over which Mrs. Hayes presides with various and the companies of people to the parlors over which Mrs. Hayes presides with various and the companies of people to the parlors over which Mrs. Hayes presides with various and the companies of people to the companies of people to the parlors over the companies of people to t with so much grace; and throughout the to the House for concurrence. As passed by the Senate it leaves the rate of interest at 3 females to every 100,000 males is 96,519, against 97,801 in 1870. The number of foreign born to every 100,000 natives is 15, comparison to every 100,000 natives is 15, against 16,875 at the date of the last might be applied to other great capitals.

During the sessions of Congress, it attracts a
large thating and fashionable population, merce, and the Committee was authorized to who desport themselves according to their sit during the sessions of the Senate. local or indigenous atmosphere of Washington isquite humdrum. Our aristocracy here is built upon a system of clerkships to a great degree, and our leaders of society, when analyzed, are found to be persons of very commonplace antecedents and very limited incomes. The fashionable hours are Most of the receptions and hops begin at Jackson, of Tennessee, and Fair, of Nevada, Lewisburg (1657-59), but did not graduate; eight or nine o'clock in the evening, and are bill was considered. taught echool; served in the Union army as through before midnight, though, of course a licutement ank captain; was admitted to there are young sprouts who dance all night, the Bar in 1864 and has since practised law; and sip ices at two or three o'clock in the

COUNTY IMMERTURE

We respectfully make the following recommendations to the County Officers : lst. That the tax collectors be required to settle and pay in full their duplicates before any commissions be allowed them on either any commissions be allowed them on either the whole or part of their dunlicates. 2nd. That har collectors who have not settled up their duplicates in full be not reappointed.

2rd. That no bills against the County be accepted that are not fully scrutinised.

Bal, due Josiah Andraes .

We, the undersigned, Auditors of the County of Carbon, State of Pennsylvania, elected and sworn in purgiance of law, do report that we met, did audit and settle and anijust, according to law, the accounts of the Treasurer and Commissioners of said County, commencing on the third day of January, A. D. 1881, and ending on the twenty-second day of January, 1881, and that said accounts, as settled above and of Record in the Prothonolary's Office of Carbon County, are correct, as above set forth. correct, as above set forth.

In testimony whereof, we have hereunte set our hands and seek, at the office aforesaid, this twenty-second day of January, A. D. 1881. correct, as above set forth. SAMUEL MOTZER,
