knew me i"

HE KNEW HOW TO THAVEL. We were rumbling merrily along to Putnam, Connecticut, when the new man got either at the feet of his parents or coiled up on. I think he got on at Walpole. He carried a valise, a blanket rolled up in a shawl ried a valise, a blanket rolled up in a shawl
strap, a cane, an umbrella and a book. He
wore a pland suit and a silk hat, and a polo
cap was rolled up in his ulster pocket. In
one of them, that is, for they were legion.
He carried his wax matches in a little pocklayed by the Indians. He delights also et on his right cuff, his little case of gentle played by the Indians. He delights, also, et on his right cuff, his little case of gentla cigarettes in a little pocket just below the handkerchief pocket; his card case in a little pocket near the right hip, then there were three other unassigned pockets on the right breast and two other mysterious pockets on the left side of his ulster. Then I think there were two pockets on the back of the wooderful sarmant just below the domen. As the boys are never subjected to that wonderful garment, just below the shoulders, but I will not be positive. His bearing the burdens, and hardly ever put ulster was belted in with a belt that might have done duty on the big pully in a saw old, the sight of bowed or knock-kneed legs mill. He parted his beard in the middle, among them is very rare indeed; but the combed his hair low on his forhead, was practice of setting the young girls at the very broad across his back, and had a voice duty, mornings and evenings, of bringing very broad across his back, and had a voice as big as his ulster. He paused beside me of them to be inclined either out or in at and looked down at me.

"This sent occupied, sir ?" the knees. And he said air like a regular army officer, with an impressive pause between it and the rest of the sentence, a pause just about as long as the regular army officer usually occupies in saying "bless you," or words to that indirect effect.

"No, sir," I said, timidly, and then with feeble attempt at cordiality, I added, "sit down, sir." "Sir," said the new man, "I intend to. I

generally find a seat if the cur is crowded, or tell people what I think about it." And then he sat down, partly on the seat | 114 years. and partly in my lap, crushing me up against the window. He put his silk but in few days since I met an old lady who nod- the rack and the polo cap down over his ded very familiarly to me, and yet I besi-tated to call her by name, lest I should mis-la up in my end of the seat and set his value call it. She looked old, and yet young; soft upon my feet. Then he folded his arms so young man. His father died recently at the alone. and smiling, and yet were stern frowns. that one of his great elbows jammed itself age of 112. She was fair in face, yet her hands were into my cheek, and then he looked comfortiron. It seemed as if the wind would blow able. Once in a while he would suddenly her away, and yet she moved with the feel in his pocket for something, and every time he did so, that elbow went cruising up of a Methodist missionary. She died re-and down my ribs like a street crusher. cently just as she had closed a century of

In one of these sudden disturbances I ventured, with a feeble effort at timid sarmem to "hope that I didn't incommode

"No, sir !" said the new man, with con it be rude if I should ask you a few ques- siderable italics; "no, sir, I'd let you know died recently at Groton, Mass., aged 101 very quickly if you did, sir. I'd tell you years. what I thought about it." Presently he took out his little case, and a neat little meerschaum holder "Why, make the ladies wear them, to be and made preparations for the comfort of a the age of 104. Ho is the oldest acting smoke, but the brakeman touched his aboul-teacher in the world, and has been a peda-

smoking car. "Isn't this the smoking car?" yelled the new man, nearly grinding me to powder as events in which he took part in the war of matter.

"No, sir;" replied that functionary, very airily; "this is a ladies' car." "Well, by jove," said the new man, "I took it for the smoking car, and not a very nice one at that. It looks like a smoking

car, and the people in it like the people I cold weather, or to walk out in-naked at generally find in a smoker." And then he ground around toward me again and said : "I'm an old traveler, and when I don't it his mother just before her decease.
