HOKENDAUQUA, Pa., March 2, 1881—F. R. Alexander, District Agent, Bethlehem.—Dear Sir: I am under great obligations to you for the settlement of my claim. I have this day received \$\phi\$\,\,000 from the New Era Life Association, in full for the five mem-berships held by James W. Mickley, my late husband. The entire cost of membership five years was \$192. Respectfully yours, Mrs. J. W. Mickley.

The New Era Life Association has been doing business for over six years, and the above letter of Mrs. J. W Mickley shows to the public that the New Era is the cheapest association, for the cost of \$1000 member ship, taking the average age of 40 years, has been \$5.90 per year. There are many who say they cannot become a member, but they spend during a year for delicacies more than the cost of \$5,000 of protection in the New Era. Now, Fathers and Mothers, think of what a nice benefit it would be to your loved ones if you had a membership of \$1,000 or \$2,000 in the New Era Life Association to protect them after your death.
