and in a few minutes I was on my way an excuse for her to leave the room.

Abbey Grove was situated about two miles from the town, and consisted of a small cluster of villas, built in a prettily situated spot, which, generations ago, had formed part of the grounds of an old abbey. The only remains of this ancient building, however, were a few yards of crumbling as a tall gentleman entered the room wall, with here and there vestiges of what He stood looking inquiringly at me at one time had been traceried windows:

which of the half-dozen villes I was bound riment at my expense maddened me. chance of having to go toeach of the houses in day as this one." I've jist come from, sir." Walking up the

plied. "I've never seen him here before, spon our wedding day. But he's a young gentleman, and says he'll wait till master comes down." "Whoever can he be, and what can he want, bothering here, at this time of day?"

and I soon concluded my inspection, and looked round for something else to occupy the moments. The newspaper of the previous day was upon a small table by the window, so I took that up, just to pars away the time, and I was soon listlessly perusing the advertisements. I had not been sitting thus above a minute or two, when I

I started up in no little surprise at this greeting, which was evidently not intended for met and there stood before me a fairylike maiden of some sixteen summers, ber brown hair falling loosely from a daintilyshaped head; her cheeks aglow with the healthy morning air she had been enjoying and deepened, too, by a rosy blush, when she discovered her greeting had been unwittingly addressed to a stranger. She was standing before me, holding out the little knot of flowers destined for her uncle's buttonbole-how I envied her uncle?-a very picture of life and health and happiness. Her expansion of unrestrained enjoyment

WHY SOME PROPER PAIL TO

SUCCEED.

They neglect details. They fail to advertise. They don't push business. They talk polities too much. They imitate their neighbors. They have no eye to business, They overlook the small things. They let their fires burn at will. They are slovenly in their shops. They've too much outside business. They don't invent or have new ideas. They know not the power of method. They become rusty and lose ambition. They are illiberal to home enterprites. They let their help waste and destroy They know not the best is the cheaper They are penny wise and pound foolish. They are not polite or accommodating. They hope fortune will drop in their laps. They let their shops get filthy and dirty.

They try how chesp they can do things

They think things take to much trouble. They mind all but their own business! THE JORDAN VALLEY. The Valley of the Jordan would act as an enormous hot house for a new colony. April 10-y1

AT THE GATE Now the spoony rural laver Round the moonlit path doth hover Sharp at half-past sight he meets her,

And he e'en torgets her freckles While he dreams about her shekels, And he vows her Greeian nose Is a rose, rose, rose.

And each eye a dreamy pansy,

As swift as any lapwing, Just watch that spoony chap wing Down the opalescent lane For all Female Complaints.

An Invitation to Breakfast.

the housemaid putting the finishing touches hand and led me into the room again. Of path I found the door invitingly open, and

sponse, in a muffled female voice.

heard a slight rustling, as of a ludy's dress; simultaneously came three or four light footsteps through the window into the room, and before I could look up from my paper, or rise from my seat, a musical voice accosted me with "Good morning, uncle: here is your buttonhole bouquet."

thought was: "He is some visitor;" but in a few moments the capful truth dawned across my mind that this was in reality the owner of the house I was in, and that by some means or other I had got into the inhabitants of Abbey Grove villas entered in common.

The situation was tremendous.

The situation was tremendous. The invigorating charms of an early walk so taken by surprise and chagrin, that I he word the ordinary North American ear. in a summer's morning need no descripon a summer's morning need no description. The pure sir, the genial sun, the twittering binds, the sparking dew, and soft, low breeze, all tend to exhibarate one's spirits and to make the day pleasanter and happier throughout. All these experiences were mine on the day I write of As I sponsor and hoped he would pardon it. So speaking I made a frantic dash at my hat, proached Abbey Grove and saw the houses proached Abbey Grove and saw the houses proached abbey Grove and saw the houses proached at the surrounding trees, I made a frantic dash at my brandy.

The pure sir, the genial sun, the doubt having been invited to breakfast by Mr. Robertson; that I had been directed to this house by some miserable understanding that I humbly spologized for my intravious, and hoped he would pardon it. So speaking I made a frantic dash at my hat, maddened at my stupidity, at the loss of not proached Abbey Grove and saw the houses and persistent demand for filthy lacre at a time when we have hunted through every pocket we possible the boy, teo much associations. It generally means that a man is undone. The coarse and persistent demand for filthy lacre at a time when we have hunted through every pocket we possible the boy, teo much associations. It generally means that a man is undone. The coarse and persistent demand for filthy lacre at a time when we have hunted through every pocket we possible the boy, teo much associations. It generally means that a man is undone. The coarse and persistent demand for filthy lacre at a time when we have hunted through every pocket we possible the boy, teo much associations. It generally means that a man is undone. The coarse and persistent demand for filthy lacre at a time when we have hunted through every pocket we possible the boy, teo much as a proposed in the season to the season that a solution as I please."

The young man sprang to his feet, and the house as the value of the boy to this house as a proposed to head the boy to this house as a proposed to head the boy to this house as a pro peeping from out the surrounding trees, I my breakfast, and at the thought of never frein of music. It may, however, be sadly

my inquiry as to whether he was at thought him the most kind and considerate snow since October last. Thirty-four imthe girl; but we get accustomed to use stetound Mr. Robinson and his wife sensible, dously by from two to six locometives each,
and on smeller wirl every other evening, rectyped phrases under some circumstances. genial, kind-hearted people. I found their The might of these plows and the great "Oh, then, I will come in and wait," I meee even more sensible, more genial, more power of a snow-drift may be estimated that kind-hearted than they were, and when, "What name shall I say, sir I' saked the learned than they were, and when, after breakfast, I accompanied her and Mr. Bobinson into their preist flower sarden I. Bobinson into their preist flower sarden I. Bobinson into their preist flower sarden I. "Just tell him Mr. Brooks has called, and received from her a rose-bud for my button- choked cutting, but was defeated. The when there are a dozen kegs of something So saying the girl showed me into a snug ward. When saying good-bye I was perlittle breakfast room, where the sunbeams plexed by thinking how I should manage a glimpse of the immense plow, they found

It seems suspicious for and the fresh morning air seemed to be vy- to see her again; it must be contrived some- that it, with all its 128,000 pounds, had you have known since she was a girl as a ing with each other as to which should have how I mentally resolved. Upon returning been repelled like a feather, and that it had decidedly freekled specimen, to appear on session of the room, with such friendly to town I lost no time in explaining the rolled disconsolately over the drift and had the street without a frackle in sight. rivalry were they streaming through two "situation" to my wortby employer, Mr. lodged against some forest trees where it wide French windows, which opened upon Robertson, who railied me good-naturedly proposes to remain until summer. From to carefully avoid dining at his ewn place of a tastefully arranged lawn and flower-beds upon the mistake, and what the conse- one cut 224,000 cubic rards of snow were business, just for the sake of walking two

Four years have passed since that invitation to breakfast was given me, and that "fairylike gir!" is now my wife. The local relation to this malady, Mr. George Guyett, "Mr Brooks? Who is he?" was the re- tion to breakfast was given me, and that "I don't known, ma'am," the maid re- milkman, blue him, got a bandsome "tip"

thought it best not to be offended; so I commenced examining the pictures on the yeu \$1.00 a year in advance, and then you see are concerned. Call and give it a thorwells. They were not very interesting, will get one of Kendall's Home Books free.
