corrol

IN THE THROES OF DEATH.

ize the danger which threatens their party and now counsel unity. When the Admininstation first lits first shot into the Conk- to name the Clerk or Sergeant at Arms, and log-Graot renks, by the appointment of to receive estain committee chairmanships Judge Robertson to the Collectorship of the in consideration of joining the coalition." Purt of New York, it did not create much It will, however, interest citizens of all comment in journalistic circles, being an- parties to know how Speaker Randall classicepted as one of those little jurs inseparable fies the members of the next House : from even the best regulated families; but "A full House consists of 293 members now that the quarrol has assumed the pro- and of this number the Republicans elected purthans of the biggest kind of a row, they 147 ; Democrats, 126 ; Republican Green re filled with the greatest apprehension.

Republican dailies in the country, forees tricts, and Brumm of the Schuylkill District, the result of the Senatorial strife in New Pennsylvania ; Democratic Greenbackers, York and addresses to the Republican mem. Ladd and Murch of Maine, and Mosgrove bers of the Legislature and especially to the of Pennsylvania ; two Readjuster Democrats supporters of Mr. Coukling, some vigorous Paul and Fulkerson of the Seventh and remarks on the advantages of harmony and Ninth Districts of Virginia, and one Indeunity. It says : "There must be an end to pendent, J. Hyatt Smith, Third District of the frittering away of Republican votes, if New York. Three vacancies yet remain unthere is to be any election this year, or, in- filled, one caused by the death of the Hon. deed, if the State is to be represented by Re- Fernando Wood of New York, and two ow publican Senators at all. The Republicane ing to the resignations of the Hon, Levi P who persist in voting for candidates who have quite as little chance of the election as of Maine." Conkling and Platt, are pursuing a course which must lead to party disaster as surely as that of the men to whom they are nominally opposed."

These observations coincide with the comments we have made on the same subject in the last two weeks. Hot-headed, impulsive, wrapped up in the success of some particular faction in which they are individually interested, they have not, until now, paused to observe the disaster which threatens all alike. They see it when, perhaps, it is too late to avert it. Wise words and sagacious counsel, might have availed two weeks agocounsel, might have availed two weeks ago-The breach has been widening daily since and its results must prove fatal, provided Democrats act with goed sense and judgment and improve the opportunity which so aus-picously presents itself to them. General Grant's recent remarks on the sit.

General Graut's recent remarks on the situation in St. Louis, Chicago and elsewhere, viewed from a party standpoint, are highly indiscreet and can only serve to still further block, much in the style of slavery days, at exasperate the Administration wing of the Lexington, Ky, a few days ago. They had Republican party and compel them to stand been sentenced to a year's servitude apiece and die by their colors if need be, however for vagrancy, and their labor for that term much they may have desired to clasp hands was what was offered for sale. A cattle auc across the bloody chasm, a week ago. There tioneer was the salesman, and the men were is now no way of bringing about harmonious critically examined, with many pekes and relations in the Republican party. The fend pinches, just as slaves used to be. The first is irresoncilable. Conkling with all his to be put up was a fat old fellow, and the boasted power, his great personal magnetism bidding advanced very slowly to \$29. "Bless and adroitness in manipulating party wires 'my soul," cried the auctioneer, "I recollect is losing ground inch by inch, slowly, but the time when he'd bring \$500-n hale nevertheless surely. His friends in office hearty old nigger like him. Twenty, twenty know that as soon as the Albany struggle twenty ; muy advance on twenty? Go up ceases, the era of decapitation will begin and and examine him, gentlemen. He's able to they are trimming their mils to eatch any do a good day's work yet, breaking rock or little Administration breeze that promises to breaking hemp, or even working on a rail blow them into a safe and lucrative official road. Look how slock and fat he is. Look harbor. With them it is a question of brend at his arms and legs." He was knocked and butter and not of principle ; hence their down to Col. Craig, a railroad contractor, for lukewarmness. They know that the Ad- \$34. The other negro was younger and ministration has resolved to have an admin-istration party in New York, and to baild it bought for \$112 by a man who meant to put up at whatever cost, by all the appliances him to work at street sprinkling. This sale was the first hold under a new Kentnehey known to American politics, and they do not tramp lamp. propose to be left out in the cold if they can holn it.

Conkling out of office, without influence and patronage, to dispense to the hungry dictions are made that the present summer months ago, Conkling, Grant and the coterie. results for some people, it is rumored that

#### FORTY-SEVENTH CONGRESS. Newspaper correspondents at Washington

and elsewhere, mys a Philadelphia writer, assert that the Hon. Samuel J. Randall is vigorously sugaged in an effort to form a political combination intended to prevent the Republicans from organizing the House of Representatives in December, These

statements do Mr. Randall Injustice. He is Leading Republican papers begin to real- engaged in no such effort, nor has as entered into any "arrangement," as stated, "whereby the Greenwack members of the House are
