On Wednesday evening, the fifteenth of this month, a children's meeting was held in the church at Hazardville, under the auspieces of the Carbon County Sunday School Society. The meeting was conducted by W. W. Bowman. After devotional exercises of the usual kind, Rev. Stauffer, of Mauch Chunk, spoke in German, his remarks were mostly for parents and adults, and he presented the importance of the Sunday school cause. Thomas Wents, of Millport, then gave a very excellent address to the childien; the speaker used an imitation of a spider's web, and in a very interesting manner spoke of the snare of the devil and other lessons suggested by the web. C. S. Weiss, who was appointed to fill the vacancy of Alfred Kresge, spoke about the plan of mivation, and the importance of immediate faith in Christ for salvation. On Tuesday evening a meeting was held at Millport. It ning a meeting was held at Millport. It was conducted by W. C. Weiss, President of the Society. The first address of the evening was delivered by David Kramer, of Lehighton. The speaker made use of a very pice little cross and crown to teach important lessons of truth, and showed what is meant by bearing the cross, and afterwards wearing the crown. J. K. Rickert, of East Weissport, whom we are glad to see is on the programme several addresses, followed with an address on Temperance. Rev.
