THE FALL CAMPAIGN.

There is every probability that the Democratic party will be unusually successful this fall. Confidence exists everycoming in every day. Local differences in the various States have been adjusted, and Democracy presents a solid front. The condition of affairs in the Republi- commodations for his comfort have been can party is different. Bitter quarrels constructed, and very likely this will be the have rent it asunder, and though everything may seem to be quiet within its their organization and preparing for a fall campaigu. And as Mr. Blaine is
