 ARE TEMPERANCE PEOPLE
 main objective point in the pending campain will be to secure a Legislature friend or this season, and that the prospect is that

 To the Editor of the Carbon Advocate:
 main objective point in the pending campain will be to secure a Legislature friend or this season, and that the prospect is that

 The Coar Gazette in its issue of August
 is uncompromising prohibitory
 or this season, and that the prospect is that

 12th, says:
 The temperance people of Ohto are once more about to illustrate that most singular perceduce of American politics, the temperance rescale and of severy ten votes cast for the temperance iteket comes from the Republicen ranks. Under the circummatances the party, and to ignore the ways one allimeter tends and ultimate temperance to the large body of Christian temperance to the insection of the genes body.
 or this season, and that the prospect is that it will be bigber as the autumn brings an increased demand. How much heavier the increased demand. How much heavier the trade now is than it was last year is shown strends of othe sector of the party, and to ignore the wishes of the large body of Christian temperance votes hitherto in their ranks. Under the circumstances the interval to an ultimate temperance triumph
 bisson, being 1,004,748 tons for the case of the being to the beaution of the base of the beaution of the base 12th, says: The temperance people of Ohto are once more elevent to illustrate that most singular parador of American politics, the temper-ance vote aiding the Democratic party 1 Of course nine of every ten votes cast for the Temperators ticket comes from the Republi-cen party, and every one of them brings the Democratic candidate nearer to the vio-ter. An and the temperature to the viothe performance and the temperates people of Ohio open to a just imputation of idioey and fanaticism-qually propertioned ? Certainly if they make Democratic victory sure, they will lose more than they have ever gained, either in Ohio or elsewhere. We are firmly convinced that every tem- rate of increased shipment will soon make perance Republican and temperance Demo- the total much larger than for last season. -Troublesome and impudent-Flies. -Drying up and falling off-Grapes.

This is a grave charge for the Gazette to support their State candidates. Two hunoake, and in our opinion shows a marked dred thousand petitioners asked that a law 13, as reported by the soveral carrying comficiency of sense and inmiligence, idiory be submitted to the people, to be voted up-panies, amounted to 633,914 tons, agrinst nd an extravagant effort to govern-to keep on, but the Legislature and thuse two politi- 417,564 tons in the corresponding week lust i control-the temperance republican ele- cal parties have refused so reasonable a re year, an increase of 218,350 tong. The total
