gust abows a decrease of \$14,181,221.

day's paper. - The ticket placed in nomination by the Democracy on Monday last is a most excellent one, and appears to give almos

entire satisfaction to the members of the party. The nominees for the several

ous forest fires in Michigan show a terrible condition of affairs in the northern and northeastern part of the State. The villages of Deckerville, Port Hope, Verona Mills, Bad Axe, Sandusky, Anderson, Stanton, Richmondsville, Charleaton and Fortsville, have been wholly or partly destroyed, In Watertown township two families have been burned to death. The continued drought and high winds are spreading the flames, and · hundreds of forms are reduced to blackened ashes." It is feared there has also been serious los- of life.

-The Abendpost of SenFrancisco reports that California will the present rear continue to hold its place at the head of the list of the wheat-growing States, but it adds that this is not likely part of the soil devoted to wheat culture that was rich in the highest degree will bushels an acre. Thus far the exgood by bringing new land into cultivation. This, however, cappot continue forever. Fruit growing, on the contrary. is constantly assuming large dimensions, and there seems no limit to the demand for it in the Atlantic States and abroad. The industry is in many places very

special train provided for the purpose. He left Washington at 6:30 a. m. During the journey his wants were attended station, near Baltimore. After reaching Long Branch the fatigue and excitement of the journey told upon the sufferer, and he was restless and feverish for several hours. An official bulletin, dated 6;30 p. m., reported his pulse at that time 124, temperature 101.6, and respiration 18. Later in the evening daily, as heretofore. Notwithstanding the intense heat of the weather, the President did about as well as could be exorning his temperature was normal. O

EARS FOR THE MILLION

Foo Choo's Balsam of Shark's Cil THE ONLY ABSOLUTE CURE for DEAFNESS KNOWN. THE ONLY ABSOLUTE CURE for DEAFNESS ENOWN.

This Old is extracted from a peculiar species of White Shark, caught in the Yellow Sea, known as Corcharodon Bandeitti. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddist Priest about the year 1410. Its cures were so numerous and MANY 80 SERMINGLY MHACCLOUS, that the remedy was officially proclaimed over the entire Empire Its use became so universal that for over 350 years no Dharness Has Existed AMONG THE CHINESE PROPIES. Seal, charges prepaid, to any solivess at \$1.00 per bottle.

Only Imported by HAYLOCK & CO., 7 DEV Street, New York.

Sole Agents for America.

Its virtues are unquestionable and its curative chracter absolute, as the writer can personally testify, both from experience and observation.

Among the many readers of the Review in

Sometry testify, soul from exterence and observation.

Among the many readers of the Review in one part and another of the country, it is probable that numbers are afflicted with deafness, and to such it may be said! "Write at once to Haylock & Co., 7 leey street. New York. enclosing \$41, and you will receive by return a remedy that will enable you to hear like any-body else, and whose curative effects will be permanent. You will never pegret donn so."

Editor of Mercantile Review.
