They, might be made to feel passably comfortable, if Mr. Wolfe could be in-duced to forego the pleasure of running For State Engineer-Silas Saymonr, of I know how easy it is to find fault and how sion. It represents the savey youngster i as an Independent caudidate for State Engineer Shat Symour, as an Independent caudidate for State For State Engineer Shat Symour, Treasurge, But just at this time Mr. For Court of Appeals-Francis M. Finch, of Tunoblus Wolfe foels like sticking, much to the chagrin of adversaries. It is not only amusing, but instructive to listen to his opponents. They swear at him as amhim as one whose real purpose is to wreck of enough of this world's goods, to make him fairly independent of office. When we consider the perilous condition of Mr. Cameron and his friends, and the case."

peration.

Mr. Wolfe has the confidence and adyoke has long sorely chafed. The Cameroniaus know it, and the interesting and distressing problem over which the Ring

managers now bother their breins is how many votes this man will draw from the Republican party. It has worried Mr.

Quay to such an extent, that he has not found time to go on that pleasant fishing excursion, which he projected some time ago, and he is kept busy night and day trying to devise some way to save his faction from utter defeat. The caudidacy of Mr, Wolfe has stimulated the hopes of every Independent Republican. They are working carnestly and euthusiastic-

In striking contrast to the unhappy the supposition that the organization will tall term as Secretary of the Treasury but and a synopsis of what may be expected in Republican party is the unity and good be effected without a partisan fight. All be was glad to get back into the Senate the future. The only amendment we can tellowship of the Democrats. No faction-ial differences rend them; no boss dictates their policy and attempts to run them in the should a dispute over the offices to be effected without a partisan nght. All he was glad to get back into the Senate again. Secretary Windom is said to cast longing glances toward the vacancy caused by his own resignation, and Secretary Kirk-the organization of the secretary be and the senate of the nuture. The only amendment we can auggest would be a change of cover, the present on being anything but taking to be and the secretary Kirkthe interest of himself and his friends, They have acted with care in the selec-tion of a nominee and the adoption of a ing of Congress. But there is no reason to platform. Orange Noble, of Erie, who apprehend such unseemly conduct on the n.er. Mr. Blaine, too, would doubtless be "Forget-me not." It will be removed if elected, of which there can be but lit. sion over the division of committees, the Bisine. tle question, he will bring to the position whole question of their formation may be deferred until the regular session, as the ability and integrity of a high order. few appointments likely to be made by the nate in cancus a candidate for President seems to meet with general favor, and, no pro tem, and will vote for him, but will doubt, some such compromise will be adoptmake no contest against the election of a ed.
