caused no little confusion, and as soon as
the policement returned the fire there was no making a speech, and fined into the left site of the van.

The latest political gossip briefly statdefined was a man decided that Mr.
Actorney Corchili intended that Mr. Scoville had been lying to him. District
Attorney Corkhili minuted that Mr. Scoville had been lying to him. Attorney had there was

price \$1.00 a year placing it within the reach of the poorest of our citizens. As an advertising a edium it is equal to at y in this section. In connection with the paper we have a well appointed Job Office, and can do work equally as well and choop as any office in the Lebigh Vall y. Thankful for past favors we respectfully ask for a continuance of the patronage of our people.

A FEW REFLECTIONS.

There are several statements about the should not be the citiest in the world.

There is no reason why this country should not be the citiest in the world.

The country of the yenicle, a pentrulated the small hole of the vehicle, a pentrulated the small hole of the vehicle, a pentrulated to the side of the second and the second was all directed to showing the condition of Gusteau family in the agent of the Deity; in claimed himself were in accord; proceeding the condition of the yenicle and an as soon as the policeman returned the fire there was a made of the points of people to the secone. Within the policeman returned the fire there was a standard to are y in this section. In connection with the policeman returned the fire there was a the policeman returned the fire there was a the policeman returned the fire there was a the police or pentrulated forth a threat from the Judge to require the count room.

It has all along been understood that Guitan's defence would be based upon his all leged insanity, and Friday his counsel, Mr. Second Friday.)

WASHINGTON.

[From our Special Correspondent,]

Washington, Nov. 19, 1881.

The great Guiteau trial is fairly on at facts. One statement is as follows: Guiteau was one of the priority and all directed to showing the condition of the small hole of the yehicle, a pentrulate forth a threat from the Judge to remain the first day of the trial. Mr. Second Friday.)

WASHINGTON.

[From our Special Correspondent,]

Washington, Nov. 19, 1881.

The great Guiteau trial is fairly on at facts. One statement is as follows: Guiteau conductat the time of the shooting and after his arrest. Se

Court was opened on Saturday withouncident, and George C. Maymard, electric incident, and George C. Maynard, electrician, was put upon the stand and testified to losning Guiteau ten dollars at one time and fifteen dollars at another. Guiteau protested against the line of evidence; did not think it anybody's business whether he owed twenty-five dollars or some one owed him. "Maynard is a good fellow, and I owe him twenty-five dollars; that's all there is in it."

Peuding the examination of the pistol, Guiteau desired to announce to the Court that he invited John B. Townsend, of New

course of the ball. In doing so the witness made use of an actual section of the Presi-dent's backbone, showing the hole made by

the Secretary of the Interior, a state- with his hand, and they obeyed as if afraid Mr. Secville, who put on his apretacles for pocket money, he wants \$20,000,000 at bis dining room. The other night some

In the Guiteau trial Monday Mr. Robinthree. There would be no change in the other States.

—The "Kenebec (Me.) Journal," of Toesday last, published the following:

"Many rumors are in circulation in regard to Mr. Blaine's political course in the immediate future, and his name is called, and testified that the would inflict ed on President Garfield was a mortal one. They also identified the balt tasen from President Garfield's body, and it was shown their case, and Guiteau was allowed permission to be heard in the opening of his defence. Without rising from his seat, he said he was not aware that he was expected to speak that morning. Mr. Scoville whispered to him, but he refused to stand up, and said he had no set speech to make, his idea being to make orrections as they went along, just as he had done the previous three or four days. When Guiteau had finished, Mr. Scoville began his opening statement for the defence. Before he had finished the Court adjourned until Tuesday ed the Court adjourned until Tuesday

change the improved the opportunity to make some vity enlogistic remarks regarding President Arubur. Hant may not retain the president Arubur. Hant may not retain the president arubur that the deficial plane.

Seretary Blaine was the first winese so flatering (first), in the Guiteau sound of the courts in easies where the continues are sometimed of the courts in easies where the continues are sometimed to the continues of the courts Guiteau's council, Mr. Scoville, continue

ors were secured on the second day of to the Republicans for that purpose, Court was a Stalwart of the Stalwarts, or that hone has taken a suite of rooms in the new sheeting at him. The assailant leaned forbed right and left. The people knew it, but they griuned and bore it and hoped for better times. Under Hayes it was not much better, though that fraudulent pretender, made a show of trying to rin bis Administration conomically and well to the dissatisfaction of the men, whose Returning Boards had made him President without the sladow of reason except political expediency.

Years ago—away back in 1801—when Thomas Jefferson became President the The wound made by the ball was the immediate cause of death.

The course-examination was opened by Mr.

Robinson, with the following very compressions, because of the following very compressions and muzzling should not be resorted to

over the petty looseness in accountability in the Treasury Department, because it is really funny to see how easily the pubciepcy last year, and twenty million
