

The Carbon Advocate.

H. V. MORTIMER, EDITOR. LEHIGHTON, PA. SATURDAY, DECEMBER 24, 1881.

LEIGHTON, PA. SATURDAY, DECEMBER 24, 1881. I have been lecturing recently on 'The Water Course of New York' and 'The Arctic Expedition'...

News of the Arctic Steamer Jenette received from Siberia. The Jenette was crushed by the ice last June in the sea north of Western Siberia...

WASHINGTON.

Under the rules of the House of Representatives Monday is the day on which the States are called, during the morning hour, and Members from the States reached in order before the time expires...

When Dr. Hayes arrived in Boston, in 1861, he first learned of the existence of the War for the Union. He at once telegraphed to President Lincoln offering the services of himself and his vessel to the United States...

In 1869 he accompanied his friend William Bradford, on board the steamer Panther to explore the southern coast of Greenland. On his return he published 'The Land of Desolation' and 'Castaway in the Cold'...

In 1875 Dr. Hayes turned his attention to politics. He was a member of the New York Assembly in 1876, 1877, 1878, 1879 and 1880, serving each year on the important committees of the House...

IT MEANS WAR. There is a new element in politics in this State. The Stalwarts, led by Cameron, have settled upon General Bevier as the Ring candidate for Governor...

After a long contest the will of Benjamin Fox has been admitted to probate in Reading. Deceased left an estate valued at \$100,000, nearly all in cash.

When the facts are understood. It is a miserable white man in Arizona who says: 'I want to be an Injun. A warrior of the plains. I want to be a warrior of the plains. I want to be a warrior of the plains.'

For the Carbon Advocate. A single seed is said to have produced a plant, bearing 12,780 grains of corn. At this rate, it has been computed that the product of a single seed of corn would amount to sufficient in eight years to supply the entire human race with bread for a year and a half...
