prevent spoiling it with the result of his to executive pession labors. Nearly everybody has beard the story of the Kentucky member of the last | sause Indemnity Fund and the bill to pro-Congress who washed his feet in the wash-bowl of his committee room in the presence of balf a dozen members, one of whom was the fastidious Hewitt, of New York, who bolted out of the room uttering the word "damnation" between his teeth. Next week I will undertake to give some of the peculiarities of this "impressive" body, its method of transacting ousiness, and the experiences and difficulties of new members.

White House is practically closed to so-As he was placed in the prison van and clety makes a great difference, especially to transient visitors to Washington. For over twelve years not only were the customary evening receptions, or "levees," afternoon receptions and State dinners regularly given there, for at least two nonths after the New Year reception opened the season, but during the most of the Grant administration and all of the on the lady of the Executive Mansion sociably in the evenings when no formal entertainments were going on there From the street the house used to present a very bright appearance, as it never does now, since President Arthur thinks that it is a preserve to show to his that it is a proper respect to show to bia assassinated predecessor not to have his late official residence looking as though no tragedy had occurred. It is rumored that he will begin having receptions after the six months of mourning have expired. that is to say after March 19, which can be done very well, as Congress will be in session some time after that, and every one will e joy spring entertainments more than during the winter when engga ments for so.id amusements are

more numerous.

The woman suffragists have been again stirring up discussion here and their leading spirits are stirring up Congress. In spite of the known sentiment of the country-especially of the better class of wo men in it-against the woman's right theories, these agitators persist in thrusting themselves and their demands upon public attention. Of course they have a right to do so; it is only a question of propriety and taste. There are some brilliant, and probably excellent, women engaged in the cause. It is singular that such women as Mrs. Stanton off wire. Hooper and Miss Cozens should commit Hooper and Miss Cozens should commit
the blunder of excluding men as advocates in their cause and of taking up the
better part of their time in denouncing
some class of male citizens who have the
ballot. There are many inconsistencies
illustrative of the natural and obvaries
illustrative of the natural and obvaries the achievement of this "equal rights" -Lieut. Schwatks, of the Third Cavalficial correspondence with Chili, Peru doctrine. One of the ladies who address. ed a Senate committee most earnessly in The AMERICAN DAIRYMAN. favor of the rights of women, which, according to her creed, is no more nor less than simply to place them on a perfect equality with men, had only the day before complained quite bitterly that ladies going into the Senate galleries did not receive proper attention from the doorkeepers. Men, of course, receive none A gentleman now here relates an incident in his own experience developing the same inconsistency in the advocates of women's rights. Some time ago he traveled in a Pullman car with Mrs. Stanton and Miss Anthony, two of the ladies who quently for an hour or two on the rear platform-where they all sat enjoying the scenery-on the injustice of the denial of equal rights to women, but when he lighted a cigar objection was most strennously made, and he was treated to a severe lecture for not having due regard for the presence of ladies. Dom Panno.

### CONGRESSIONAL SUMMARY.

In the Senate Thursday Mr. Miller from and House, on almost every day, demon-states the proposition that the smaller ed a bill "to enlorce treaty stipulations rebody does its work better, and with more lating to the Chinese"-that is to restrict Chinese immigration. He gave notice that

In the House, Mr. Page, from the Committee on Education and Labor, reported : bill to limit Chinese immigration. It was ordered printed and recommitted. The resolution in reference to the confinement of American citizens in British prisons came up as unfinished business and was discussed by Messrs. Robinson and Cox. of New York, Washington, Jan. 30, 1831.
A Washington latter writer recently described the House of Representatives as session did not last more than half an hour.

In the House, a resolution, offered by Mr. Townshend, was adopted, calling on the Secretary of the Interior for information in

men think that their only duty is to get will hear them snore; he will see mem-rid of as much public money as they pos-bers with both feet on their desks, sitting with an amendment, the Senste bill re-eson their backbone; he will see members tablishing the Court of Alabama Claims,

Various amendments were proposed by Mesers. Hour, Hale and Garland, and the bill and amendments were ordered to be printed separately. Pending consideration of the Sherman Funding bill, the Senate went into executive session

In the House a number of bills and reso lutions were introduced under the call o now bappily out of public life, was in the habis during the sittings of the House of mittees for reports various bills were placed on the calendar ee laid on the table.

In the Senate Tuesday, Mr. Windom, from the Committee on Foreign Relations, re in the habit of combing his hair with a fine-tooth comb while listening to speeches. He was very tidy about it, and always spead a newspaper on his deak to sidered, pending which the Senate went in sidered, pending which the Senate went in

In the House, the bill relating to the Jap vide a permanent construction fund for the navy were reported and referred to the Committee of the Whole. The resolution re mittee of the Whole. The resolution re-questing the President to obtain a list of American citizens confined in Beitreb pris-ons was adopted. Mr. Robeson's resolution introduced several weeks ago, to declare certain railroad land grants forietied to the United States, was referred to the Judiciary Committee. The Peet Route bill was passed.

In the Senate Wednesday, the bill for the cost price was reported favorably. Mr. Mor. coat price was reported favorably. Mr. More rill, from the Finance Committee, reported favorably a bill empowering Customs officers who have reason to suspect the concealment of merchandise in a particular store or plain that the season is dull. There have been a good many dinner parties and the like, but a lack of those general occasions of large proportions. The fact that the

27th inst., for the services in memory President Garfield. Mr. Hill, of New J sey, introduced a bill reducing the postage on letters and sealed packages to 2 cents per half ounce. The Post-office Appropriation bill was considered. Adjourned.

-The body of a man killed by cars near South Bethlehem on Monday of last week Hayes term many felt privileged to call has been indentified as that of Peter Stehley, of Catasaugus.
