The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it-no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health-in no other way can lasting benefit be obtained.

> I have been a great sufferer from a very weakstomach, heartburn, and dyspepala in its worst form. Nearly I have been a great sufferer from a very weakstomach, heartburn, and dyspepala in its worst form. Nearly, everything I ase gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got so relief until I cook Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make any trips regularly. I can not say too much in praise of your wonderful medicine.
