It has grown in the state of the sagitated for fifty years. It has grown in the state of the sagitated for fifty years. It has grown in the sagitat agitated for fifty years. It has grown in met Wednesday in Harrisburg, and de-"It is now the only politics we have," said a member of the delegation to me. He thought the inter State commerce of minor consideration and disposed of it in a sentence. "Give us a clear route to the sentence and and the railreaus make low tolls—when we are frezen up the rail-against a contraction of the currency by the

[FROM OUR RENULAR CORRESPONDENT.]
WASHINGTON, D. C., March 18, 1882.
The Senate Committee investigating the Contingent Expenses of the Treasury Department have, after a protracted and very searching investigation made its respont to the Senate. The testimony is largely quoted in the report showing that the discharged Custodian O. L. Pitney and his subordinates were guilty of many irregularities and small trauds on the Treasury, such as substituting one article on the vouchers for another far different from the one purchased. These cases do not aggregate very much probably, proroads get anything they demand." And withdrawal of the silver certificates, was spon the fundamental priciples of chemical science. from the one purchased. These cases do not aggregate very mach probably, probably not above \$1,000 and would not ordinarily receive any public attention, but, from the fact that Senator Sherman, who was then Secretary of the Treasury had established a Campaign Committee to advance his candidacy at Chicago, was the beneficiary of thegreater part of these transactions. Pituey evidently wanted transactions. Pituey evidently wanted to do something for Sherman and knew from experience the feasibility of covering upstationery and other supplies needed by a campaign committee by a purport of the serior of the desire on a point of order, and was not considered. The Fortification Appropriation bill was next taken up and passed. On motion of Mr. Miller the Secretary of the Navy was directed to turnish the information collected by the Bureau of Navigation, in regard to the problem of inter-oceanic communication by the lefting and was not considered. The Fortification Appropriation bill was next taken up and passed. On motion of Mr. Miller the Secretary of the Navy was directed to turnish the information collected by the Bureau of Navigation, in regard to the problem of inter-oceanic communication by the lefting and was not considered. The Fortification Appropriation bill was next taken up and passed. On motion of Mr. Miller the Secretary of the Navy was directed to turnish the information collected by the Bureau of Navigation, in regard to the problem of inter-oceanic communication by the lefting and was not considered. The Fortification Appropriation bill was next taken up and passed. On motion of Mr. Miller the Secretary of the Navy was directed to turnish the information collected by the Bureau of Navigation, in regard to the Navigation, in regard to the Navigation, in retary of the Navy was directed to the Navigation, in retary of the Navy was directed to the Navigation, in retary of the Navy was directed to the Navigation, in retary of the Navy was directed to the Navigation, in retary of the Navy was directed to the

ively proves that Pitney's superior offic Some important facts concerning the with (it being private bill day,) in order to some important facts concerning the ers were entirely ignorant of the frauds, although he and his accountant S. L. Norton, made every effort to connect them with their peculations. Among the House It was shown by statements procedured for the Treasury whose names cured from the Bureau of Statistics and want of two-thirds yute. The Speaker have been freely used in the public press, Census Bureau, that during the six years presented a communication from the Sec as being cognizant of the frauds if not ending June 30. 1881, the value of electrical retary of War in response to a House countenancing them is that of the pres-cut Chief Clerk, Major Power, who comes to \$381.546 in 1881.
