health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't you rather feel fresh and strong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of Brown' Iron Bit-TERS, and taking it regularly according to directions.

Mansfield, Ohio, Nov. of, 1881. Mansfeld, Ohio, Nov. of, 1881.
Gentlemen: —I have suffered with pain in my side and back, and great societies of my breast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of appedite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spleen, but I got no relief, I thought I would try Brown's Iron Pitters; I have now taken one bottle and a half and am about we'l—pain in side and back all gone—soreness all out of my breast, and I have a good appetite, and am gaining in strength and flesh. It can justly be called the king of medicines.
