Even von now side sgainst me. "Do you not see that you are in the wrong, since this conduct of yours makes a barsh word to you?"

"Forgive me, dear aunt, I know I am ecure in your affection, but I am very unhappy. "Clouds preceds the sunshine, my dear

child, so wait patiently and they will disperse. Listen to me, and I will give you that I knew the parties well, perhaps you of her delight.

"In a certain place-the locality is unworld calls rich, and spared no expense in their education. We will speak of kisses. them by the names of Martha and Mary. were wild and buoyant, us her sister's

restored to their secret resting-place. n "A young lawyer came to that place or momento of disappointed hopes and still business, and chance, or rather Provicherished affection, which had made the dence, led him to an acquair tance with ALLCOCK'S POROUS gay man of the world a sober man of this family. The father became much thought, and early wove the threads of attached to him, while his splendid per-PLASTERS are painless, fra- premature age amid his dark hair. A son and manly qualities soon won the grant, and quick to cure. Be- gentle tag at the bell-rope was answered interest of the sisters. His business must by the appearance of an old domestic, have been completed, but the spring ware of imitations that blister whom he directed to inform his daughter passed and he still remained. Then he was celled away for a brief space, and re turned to find the old gentleman suffer

ing his last illness. "So great was the confidence that he placed in Charles Peters, that in his will be made him the administrator of his estate, and faithfully was that trust discharged. His kindness to the afflicted girls was gratefully appreciated, but Mary read a deeper meaning in his admiring olance than ordinary friendship, and her glance than ordinary friendship, and her own heart became conscions that it was no longer under the control of its mistryss. Love soon fluds language, and in ported a publication such as the Oniexy-this instance was mutually acknowledged. At Casker bids fair to be. This grand this instance was mutuallyacknowledged. "My dear child, I have sent for you in | und for a time flowed on in tranquil hap

"The young man was obliged again to take leave of them for a short time. Meanwhile, Martha had been growing paler every day. Her step lost its class gotten," cried the fair girl, with a burst ticity, and though she did not complain, her sister saw she was gradually sinking

into confirmed indisposition. "Martha contrived to be much alone, unseen, better world, and has only left and one day while engaged in a solitary walk, her sister discovered the momentthis pure-minded girl wrote her daily acts and thoughts, was inadvertently left upon ber table, and revealed that she had long and hopelessly loved Charles Peters.

"I cannot go into detail, but poor Mary, after long and painful struggles. event which a father, however great his and with a bleeding heart, formed the but which requires the steff of maternal counsel. Have you ever thought of this? death, though obliged to bid farewell to harry up the first subscription, not next ber and the Missouri girl, who tells week, not to-morrow, not to-day but now, strangers that during the way the news. "I only think that any place, however semote from society, which contained my sister, and her resolution was strengthen the Roll of Honor, and a treat to good threw up bust-workson her father's farm.

to the point which, is the object of this dream, a just, anything but reality; but interview. Charlotte, I am about to when with tearful seriousness she revealmarry, for your sake and my own, and ed her sister's secret, and intimated her inclination as well as duty on my part, firm resolve never to wed at the expense The young girl sprang from his arms own weakness, and to prevent his expostubitions, took a solemn oath to that ef-

herself into a chair, she felt a gentle touch | more than a year, and som after their return a little daughter blessed them with

"Thus many years passed and the babe had become almost a woman, when her kind mother was called away to a better world. Mary had never married, but the ng like a careless little girl who has flame of her old fire still burned in her allow her to absent herself entirely from "Don't speak so lightly, dear anot. I the house of her former lover, who, though have just had an interview with my fath. still a handsome man, bere the marks of er, and be has told me that he was about premature age. Besides she became greatly attached to her little nice; hence it is not at all surprising that their old aunt, and they were those of a beautiful vows were renewed. But, Charly, I have i remained here too long. I must speak a word to your father, and return home inof the story when next we meet."

"When will that be, dear aunt?"

Several days after, as Charl tte was reading in her own apartment, the old

Alanson Parker was seated in his li brary and deeply immersed in thought. His usually placid brow wore at present shade of perplexity, and the fingers of his nervous, delicate hand which shaded it, trembled not a little. That day was the anniversary of his wife's death, which and completed the expiration of that probation which the world imposes ere it will find it of some interest.

et, and from that a miniature, on which he gazed for some moments with tender interest. Of course the picture of his departed wife, says our anticipative reader. but such is not the fact. Her pale, inelegant features, which were correctly portrayed on the canvass, organiented by a rich gilt frame, and suspended from the wall, were in marked contrast to the back they are infallible in witching charms of the fair being represented by the ministure. The former was the personation of mature life, the
