In the Senate Tuesday, a bill was report ed from the Finance Committee for the es tablishment of an amay office at Deadwood Dakota. Mr. Call offered a resolution re quiring the Chief of Engineers, in all case where a suspension of work on rivers and harbors, commenced or carried on under acts of the last Congress, would be an injury, to continue such work until the expira-tioh of this Congress, although the appro-priations therefor have been exhausted. The resolution was referred. The Senate bill restoring Captain Corbin, of the Navy, to the active list, to tank nextafter Commodore Nicholson, with restitution from De-cember 12, 1873, of the difference of pay beween that of a Commodoreon the active list and that of a Captain retired on half pay and that of a Captain retired on half pay, was taken from the calendar and passed. The Indian Territory Railroad bill—granting right of way to the St. Louis and San Francisco Railroad through the Choctaw Nation—was considered, but, pending action, went over until to day. A bill was introduced by Mr. Platt declaring that "the term of any letters patent granted by the United States should not be m any wise limited by the fact that the inventor, after filing ao application for letters patent, had

In the House, the Senate bill appropris ting \$50,000 for a deficiency in the appro printion for the care of the Chevennes and Arapahoes, in the Indian Territory, was reported by Mr. Rvon, of Kunsas. Mr. Randall held that the bill, being in the line of a general appropriation, could not be originated by the Senate, Mr. Ryon thereupon withdrew the Senate bill and introduced an original bill appropriating \$80,000 for the Indians named and others in the Indian Territory. The bill was passed. The Post-office Appropriation bill was considered in Committee of the Whole, and several of the Other amendments were rejected, and the bill now goes to a conference committee. The Tariff Commission bill was then considered in Committee of the Whole. After
