tonic and alterative; others may be tonic and hazative, the properties differing ac-cording to the quantity administered sho the time and circumstance which demand In the manufacture of any pharmaceut cal preservation the parity and strength the materials need and the requisite much nery to be employed, are smoon the chicesceptals. The first is transet be purchased. ing the ingredients in targe quantities whereby the exercise of greater care in a lecting the materials can be afforded to sound can only be secumplished wh the business is sufficiently ext mice town the business is sufficiently extensive to a run a large entities of capital in precuring themical avaratus. These lacks apply with expectal force to the manufacture of our medicines, fiver quality having been vasil improved since the demand has become a great as to require the manufacture in verificate quantities.

These ideas are not more speculative remarks in midsay the reader of the interest.

These ideas are not rever a peculative re-marks to mislead the reader, or to imbu-him with false views of the superjority of our medicines. While impecting Dr. Rich mond's establishment you would be surprase to see the admirable facilities, both countries. eal and mechanical, which he employs the prosecution of his business. Everythis is arranged in the most perfectly asstrond order, and, while to the general observed. there appears to be no room ment, yet new apparatus and mechanic appliances are constantly being procured t the establishment.

MISCELLANEOUS.

-The manufacture of wooden above is a important industry at Green Bay, Wis. local paper says they are made of green ba wood, then smoked and dried like home. -There are a whole lot of things Pres dent Arthur wants to do, but he is a ver sensitive President and he is afraid th

untry will make remarks. -The Rev. Henry Ward Breeher belleve the Chinese should come. He calls the present Congress "the fool Congress." It

more knavish than foolish. -A dog weighing six pounds has me trength in his jaws than a man weighin 200, and yet men tackle hotel beef while dor has nothing to do but lick hones

-An electrician thruks the use of the telephone tends to make the hearing acutustant practice calling all the muscles int play and training them.

- Den't carry elegant handke relaiefs e'el-They're dreadful conducive to bad colds. A girl with a nice handkershief has to use all the time.

Worth Remembering.

Now that good times are again upon it is worth remembering that no one co enjoy the pleasantest corroundings if in he health. There are him treds of miseral people going about to day with disorder stemach, liver or hidneys, when a bottle of Parker's Ginger Tonic would do them, nor good than all the modic out that have ever

-Republicans and Republicans only, are responsible for the recent efforts to place the memory of the late President Garfield in a scandalons light. It is useless for the Republican organs to oreterd that Democrats Democratic journals have revived what is unpleasant in Mr. Garfield's record.

Joseph Pulitzer, of the St. Louis Post-Dispatch, has a hard fist for the bruiser as well as a good right hand for the quill. A man with a cowhole in his grip attacked Mr. Pulitzer on the street in St. Louis the other day. When the assailant picked himself up and excepted through a sale on, he left a trail of red drops and the cowbide behind

-Au old and experienced journalist says. "I tound, in the course of thirty years news paper work, that I could more effecually apress a man with my journalistic abili ties by writing a puff of him, than calling his attention to the ablest editorial I ever

PERRY

KILLER

A Never-Falling Cure for Burns, Scalds, Bruises, Cuts, Sores, etc.

After forty years of trial, Perry Davis' Pain Killer stands unrivaled. It is safe! It acts immediately! It

In flesh wounds, nelves, paies, a ves, etc., it is the not of effected run, by we know of. No family should be without a bottle of it for a single hour.

From the Cincinnati Dispatch;
We invoces a list magic effects, and know

We have seen he magic effects, and knee it to be a good article.

From I. S. Potter, U. S. Consul at Crefeld, Rhomish Prushia:
After long ye is at tuse, I am satisfied it is pulitwely effective as a heating remedy for wounds, brukes, and spraine.

W. W. Sharp r., Valdouta, Ga., says:
It is a princed for all brukes and burns.

From R. W. Adams, Eaco, Me..

It gave me injunctions reflect.

It have me immediate relief.

R. Lowis says:
In forty years' use it never has falled me.

W. W. Lum, Nicholville, N. Y., says:
I use your Park Killers frequently. It
referes prin and soreness, and heals wounds
like magic.

J. W. Des says:
For solids and burns it has no equal.

POT SCHIB AND DUTES IT HAS NO COURT.

PERRY DAVIS' PAIN KHLLER is not a new untried reinedy. For forty years it has been in constant use; and those who have used it the longost are its best friends. Its success is calledy because of its merit. Since the Pain Killer was first introduced, hundreds of new modleines have come and gone, while to-day this medicine is more extensively used and more highly valued.

gone, while to day this medicine is more extensively used and more highly valued than ever before. Every family should have a bottle renty for use. Much pain and heavy doctors' bills may often be saved by prompt application of the Pain Killer. Unlike most medicines, it is perfectly safe even in the hands of a child. Try it once thoroughly, and it will prove its value. Your druggist has it at 25c., 50c. and \$1.00 per bottle.

DAVIS

FARM NOTES.

-Encourage the little wrens by building suitable boxes for them, They are invaluable as insect destroyers.

-Fruit is a regulator of the system. It will keep the blood in order, the bowels regular and tone up the stomach. -Orchard grass is very early in growth and furnishes good hay, it starts out fresh

immediately after each mowing. -The heat of the Jerseys are being brought o this country. It would not be a surprise the Jersey breeders resorted to us for catthe after we have further improved them. -in rotating vegetables, the land should not be used for crops having a similarity t them preceeding them. Cabbages, for in stance, should follow pean, and celery fol-

low cabbages, -A speciaful of Paris green in a pail of water is recommended for killing canker worms. It should not be sprinkled over plants of which the leaves are eaten-such us letture, etc.

-Red raspherries should be set two feet apart in rows, and when kept well worked the first year they will fill up and form a continuous hedge of plants good for ten years or more. -Cabbages respond quickly to frequent

having. It is one of the crops upon which too much fabor cannot be les wed T ey should be cultivated often, even when there re no weeds among them.

-To prevent sows from crushing their young, nail a board about one first wide to the side of the pen. The board is to be put on like a shelf, so that the little pigs can run CENTRAL DRUG STORE, under it to get out of the way. -Certain varieties of evergreens, such a

urbor vitie, are furnished with a thick mass of roots. These should be cut away somewhat, in order to admit of close centact of the sail around the base of the plants. -A New York chemist declares that the

It cleaness the system of the acrid poison that causes the drandful suffering which only the victims of Ilh: unatism can realiss. cluse fat of a pork house in that city is sent o prtificial butter factories. He has also ound in oleomagairne horse grease and other refuse such as used in making can-KIDNEY-WORT

-Soft coal ashes are used to prevent the aveges of the current worm. They are PAPER.

They are thickly around it. gooseberry bushes, care being taken to keep the bushes well supplied with them as long as there is dange . -A good polish for walnut wood is to mix

two parts of good alcoholic shellac varnish with one part of good boiled linseed off, and apply with a pad formed of wool en cloth. Rub briskly till the polish appears, using mly a little at a time.

KIDNEY-WORT apper Missouri Valley is to mulch heavily summer to keep the ground moist and the weeds down. Mulch heavily in winter to keep the frost in the ground late, thus Lewis Weiss.

LEHIGHTON, PA., has the Largest and man in Salem, "with plenty of manure and water." raised the appropria water," raised the asparagus, peas, corn and Send for Circular, other vegetables needed in a family of seven. Boots, Shoes. also the summer keep of two cows and hay and mangel-wurzels enough to winter them all on one acre of land.

-Sailing eattle is acknowledged to be the most economical method for those who prace tice high farming. All disputes have sabsided regarding the system except the cos' of labor required, some farmers claiming it and I invite my numerous friends and patrons to call and examine my stock before making their purchases sewhere, as I am prepared to give special indocements to all UASH PURCHASERS.

Remember, LEWIS WEISS Post-Office Building, Lehighton, Pa. Sept. 20. to be the better plan when land is high priced and labor cheap, but unprofitable when land is cheap and labor high.

-Washing the leaves of the wax plant ocusingully is the very best treatment for it. When washing, brushing with a soft brush about the axils of the leaves will tend to keep the plant free from menly bugs, one of its worst enemies. When the plant commences its growth supply it once a week

with weak manure water. -The United States Consul at Bristol. England, is sanguine in the belief that American high grade floor will ere long take almost complete possession of the English market. The English journals, however, are of the opinion that their own millers will speedily come to a realizing sense of the situation, and improve their

work accordingly. -No system of farming is complete that dispenses with clover as a rotation crop. -More land than ever will be put in tobacco in Lancuster and Chester counties this

-The poultry raisers in Chester county suffer greatly from the depredations of thieves. -A horse's hoof is of the same nature as

born. A het shoe makes the hoof brittle instead of tough. -It is getting rather late for onlone. They do not thrive if overtaken by hot weather before getting well-rooted.

-Melous, cucumbers and squashes are cultivated in the same manner, but they should never be planted near each other. -An amateur butanist in Wisconsin, is mid to have prepared 939 specimens of flow ering plants, all of which have been indentiffed -A strong cement is made by dissolving caustic lime with boiling water. When dry

mix with white of egg to a thick paste. It -No class of real property is appreciating n value so rapidly as forest lands or well wooded areas. They will also be rich legacies to future generations.

-The flour made from sorge seed is nutritive and healthy, and many Western exbe largely used for human food. -It appears by Western papers that the

factory dairies of large districts are apt to fall under one strong management by purchase, after a while, as railways do. -The coffee plant has the general ap

rop, until a young orchard can be set our and brought into bearing.

-Liver diseases, bradache, and constipa on caused by bal digestion, quickly cured by Brown's Iren Bitters.

Samaritan Nervine

Cures epileptic fits spasms, convulsions, 8t; Vituadance, virtigo, hystorics, tuarnity, ago-plexy, parelysis, theuroatism, neuralgia and all nervous diseases. This infallable remedy all nervous discuses. This infallable remedy will positively eradicate every species of nervous deraugement, and drive them away from whence they came, never to return again. It utterly dearroys the germs of discuse by neutralizing the hereditary taint or poison in the system, and thoroughly eradicates the discuse, and utterly dearroys the

Samaritan Nervine Cures female weakness, general debility, leucorrhoss or whites, painful menstrustion, electrices or white, pertuit maintrustice, incleaning of the uterus, increase the standar, irritability of the bladder. For wakefulness at night there is no better remedy. During the change of life no female should be without it. It quiets the nervous system and give rest, comfort and natura's sweet sleep. Samaritan Nervine

Cures alcoholism, drunkenness and the habit of opium eating. These degrading basins are by far the worst evils that have eyer befallen auffering humanity. Thousands die annually from these noxious drugs. The drunkard drinks liquer not because the ikes it, but for the pleasure of drinking and of treating his friends, little thinking that he is on his road to ruin. Like the opium eater, he first uses the drug in small quantities as a harmless antidote. The soothing influence of the drug takes strong hold upon its victim, leading him on to his own destruction. The habits of opium eating and liquer drinking are precisely what eating m to a limentiveness, as over eating first inflames the stomach, which redoubles its craving until it yaralyzes both the stomach and appetite. So every drink of liquer or does or opium, instead of satisfying, only adds to its fierce fires, until it consumes the vital force and then itself. Like the glut tomous tape worm, it cries "Give, give, give," but never example until it sown rapacity deves itself. Samariton Norvine g yet mat were itself. Samaritan Nervine g yes unstant relief in an such cases. It produces sleep, quiets the nerves, builds up the percus eystem, and restores body and mind to bealthy condition.

Samaritan Nervine

Cures nervous dyspepsia, palj itation of the heart, asthma, bronchitis, scrofula, syphilis, diseases of the kidneys and all diseases of the urinary organs. Nervous debility, caused by the indiscretions of youth, permanently cured by the inse of this invaluable remedy. To you, young, middle aged and old men, who are everying your sufferings as with a mantle by silence, look up, you can be saved by timely efforts, and make ornaments to secrety, and jewels in the crown of your Maker, if you will. Do not keep this a secret imager, until it ams your vitals, and destroys toth body and scul. If you are thus affluted, take Da Rausson's Sameritan Nervine. It will restore your shattered nerves, arrest premature decay, impart tone and energy to the whole Sysimpart tone and energy to the whole Sys
