Silver certificates. curred the past week and, as invariable, \$56,736,220. Certificates of deposit, \$12, is in brief : Southern democratic seat ; 300,000. Refunding certificates, \$476, r dical carpetbag contestant; latter scat- 550. Logal tenders, \$346.681,016. Frac Well, it takes a Mussel-man to ed. Its a long lane his no turn, and after the elections this fall this party of the ance av. ilable, \$141,441,876, Maron Brodnick, of Wilkesbarre, was mean enough to steal and use the Decoratton Day proclamation of the Mayor of Pittston. That man has reached the best-rock of contemptibility and deserves spite of its loyal buncombe, bass-drum patriotism, and home-guard, Fourth of July war devotion, the people have now pulpit has end re-d Jumbo and his big fully come to understand and realize the show, the average deacon feels fully just fact that the republicanism of to-day is tiffed in keeping right up with the pro-cession, including all the leg-aud-neck robbery, bribery, official debauchery, racket. Scranton. Start not, gentle reader, this down to Secretaries Belknap and Robe-

THE TARIFF COMMISSION.

At length, after weeks of dallying, the President Arthur has yet to learn, it portion of the new tariff commission. It

Will be composed as follows:

Joh L. Hayes, of Massachusetts, Henry W. Oliver, of Pennsylvania; A. M. Garland, of lilinois; Bobert P. Perter, of the District of Columbia; Alexander Mitchell, of Wisconsin; John S. Phelps, of Missoari, and John H. H. Underwood, of Goorgie, J. A. Ambier, of Ohio, and William A. Wheeler, of New York, Mr. Whoeler will be chairman of the Committee on.

Now, let us see what this mountain will labor and bring forth. The Commission, if it accomplishes anything of Boss Cameron are shouting for Senator the slightest practical good to anybody Mitchell to resign. Guess not; Mitchell save the jobbers, importers and produhas the long end of the Republican yoke and knows it. It would be vastly more mission or committee yet appointed by that party of many promises and few fulfillments. The Commissioners have much to do in shaping the mancenvers of dred thousands to keep the Commission

And now it is authoritively stated spent about 530 000 to whitewast the murderer of May Stannard, will probably feet ju tiff d in excending a like som in all kinds is due to the capitalists and sequitting the ravisters and murderers monopolists who have locked up immense quantities of grain; so manipulate THE HAZIATON BULLETIN sets up an the railroads and cauals that men of anguished howl because some fells in moderate means cannot ship stock or that berough mutch peannts at public produce to a wantage, if at all; and litshows. Why, Samer, that sin't a patch erally hold the markets in their unsernto being at a colored revival meeting and getting jammed in between a fat sister in a pair of last year's socks and a ing men upon whom this burden falls outlog brother with a breath like an with such crushing weight will persist in Ohio river distillery. NATIONAL FINANCES.

The debt statement shows the decrease of the public debt during the month of frequent. I went up to Tappan yesterday

Our Washington Letter.

The Appropriation Bills-A War Story-The Ladies in Charge at Mt. Vernon-Farmers' Wives in Washington-The Assessment Steal-Consus Bureau Re-ROM OUR REGULAR CORRESPONDENT.

Washington, D. C., June 7, 1882. The backward condition of the appropria n bills and the desire which w A coon is to start a daily paper at ination. From ex-Vice-President Colfax manifest among Congressmen to get home renders it probable that some very hasty Scranton. Start not, gentle reader, this coon is not a colored friend and brother—not much; but it is Editor J. C. Coon of Sunday paper fame. Prosperity at the heldess Indian the properties of Sunday paper fame. much; but it is Editor J. C. Coon the helpless Indian; the non-protection tematically held back, and there certainly of Sanday paper fame. Prosperity attend the new plant.

The authorities of Strondaburg have ordered the arrest of all profane persons upon the streets, and the editors of the Democrat have taken to the woods, and use a telephone to connect themselves with business in town.

The support of American citizens abroad and on the high seas, and the mail route swindles—what a record for twenty years! And yet Don Cameron endorses it all and has the check to ask the voters of Pennsylvania to endorse him.

The support of the helpless Indian; the non-protection of American citizens abroad and on the high seas, and there certainly appears to be no surface explanation for the non-appointment of a conference committee on two appropriation bills from the Senate which bave been on the Speaker's desk for nearly two months. Possibly we shall discover the meaning of these bills have been so systematically held back, and there certainly appears to be no surface explanation for the non-appointment of a conference committee on two appropriation bills from the Senate which bave been on the Speaker's desk for nearly two months. Possibly we shall discover the meaning of these bills have been so systematically held back, and there certainly appears to be no surface explanation for the non-appointment of a conference committee on two appropriation bills from the Senate which bave been on the Speaker's desk for nearly two months. Possibly we shall discover the meaning of these bills have been so systematically held back, and there certainly appears to be no surface explanation for the non-appointment of a conference committee on two appropriation bills from the Senate which bear the proface of the well to swing be non-appointment of a conference committee on two appropriation bills from the Senate which bear the proface of the serious proface of the papears to be no surface explanation for the non-appointment of a conference committee on two appropriation bills from the Senate which bear the proface of the papears to be no surface explana bers are said to have in reserve to run through in the rush and hurry of the last self," was the satisfactory response, given in the expressive venerular of the Tappanese. Cabinet has agreed upon the major end. The star route trials are now going to occupy continuous attention for some weeks, and before they are over the Guiteau hang ing is likely to come off. The wretch Gui teau, is beginning to shake in his boots all ready, and for the first time shows his weakness.

There is a good deal said about the unreliable reports sent out by correspondents and the said and the for a fact that Mr. Vanderbilt of the said and the for a fact that Mr. Vanderbilt of the said and the for a fact that Mr. Vanderbilt of the said and the for a fact that Mr. Vanderbilt of the said and the said

no doubt mistakes are often inade, but an illustration of how it sometimes happens is furnished in a bit of private history of the further stated that on his furniture and late war said to be strictly true, and which so far as I know has never been published. During the early part of 1864, the authorities at Washington decided to make a new drait of 400,000 men, and the decision was During the early part of 1864, the authori-tics at Washington decided to make a new draft of 40,000 men, and the decision was communicated to Stanton's private secrecommunicated to Stanton's private secretary, then a prominent journalist, and now residing here retired from the active pursuit of his profession. The private secretary belonged to a Washington news association, composed of three mone persons, who were parently and the leading papers of the North. They had this bit of news exclusive, and of course telegraphed it. They sent it Sunday night, and, appearing next morning in various dailies, it created a prodigious sensation. Many of the most loyal newspapers protested against the draft, and letters of remonstrance loured into Washington from the most prominent Republicans. Stanton lound, as the story goes, that he had been to most prominent Republicans. Stanton bund, as the story goes, that he had been to sudden; that he had made a mistake; that the North was not prepared for another draft, and must be "worked up" to it by the press. Consequently, he prenounces the official dispatches baseless, and ordered the arrest of the member of the association who had sent them. The journalist knew the information to be entirely correct and authoritive, and Stanton knew that he knew the Stanton knew that he knew that he laborers for three years. The importance of the contract to be farmed out. The importance of the contract to be farmed out. on a contract to be farmed out. The impor-ters to receive twenty cents per day from the laborers for three years. The immi-grants seemed delighted to learn from the Commissioners of Emigration, that the con-tract was not binding in this country.... The season promises to be unusually gay in Newport. A list of the cottages fils nearly three columns of a local paper.....Charges of a serious nature have been preferred against the United States Consul at San Domingo.....The exercisonies attending the it. Still, being patriotic and willing to re-lieve the Government from a very embara-sing quandary, he quietly submitted to ar-rest; went under guard to Stanton's office; listened patiently to a torrent of abuse from the Secretary of War, and humbly apole gized, saying he was very sorry for the mis-take, but that he had heard the report from a source he had deemed authentic. This was assuredly true, the authority being no other And now Scranton proposes a 25-cent and exchatm against low wages and light prices for all articles of home consumption. So long as workingmen yote the many prices for all articles of home consumption. So long as workingmen yote the monopoly ticket they will get, and descrete the Mostington monument remains unnoticed and unfinished. But monopoly ticket they will get, and descrete the Mostington monument remains unnoticed and unfinished. But monopoly ticket they will get, and descrete the Mostington monument remains unnoticed and unfinished. But monopoly ticket they will get, and descrete the Mostington monument remains unnoticed and unfinished. But monopoly ticket they will get, and descrete the determinant in the start to not the father of his country, which probably accounts why republicans prifer to immortable, him in preference to George Washington.

The new comet, so astronomical wise-acres say, jogs along at exactly 40 miles a second. This is only 2,400 miles a minute, but the astronomer who can minute, but the newerly state the substitute, on the stern the astronomer, upon the gravity of his off-nee, and intuinating what to release the directive of the during the unvalidation. For the Canson Appecars.

General Guiseppe Garibaldi died at his residence in Caprera, near Rome, on the 2d inst. after a somewhat pritracted illicoss with bronchitis. This great Italian liberator, soldier and statesman was in liberator, soldier and statesman was in the general operation, or we would have had a poor show for something to eat through the summer. Some of these aldies went through the summer. Some of these ladies went and southward bound. What an enjoyable trip to the continued cool wrather retarding the planting others of these good height and contrast to what it was but a few planting others of these good height and contrast to what it was but a few leads a poor show for something to eat through the summer. Some of these ladies went and the summer. Some of these ladies went as the summer of the summer. Some of these ladies went as the summer of the summer of the summer. Some of these ladies went as the summer of The best for Mount Vernon, the Corcor-su, has carried large numbers of visitors lately, the weather having been as fine. can, and has not the slightest particle of sympathy with the democrats and they should have none for the ticket.—[ExU. S. Senater Wallace.

And now, not satisfied with having threaded Prince Don Cameran out of his political boots at Chicago in 1880, exSecretary Blaine proposes to stump this State against bossism. The campaign and interesting for Don C. as was Oakes Ames' expose of Credit-Mobilier for Mr. Vice-President Collax, and the first of his sedventures and the first of his sedventures are in the satisfied with the democrats and they should large numbers of visitors lately, the weather having been set fine. Since the ladies have charge of this dear an active part in the Italian struggle for unity, he was banished in 1834, and went to South America, where he joined the old Washington mansion, each occupying the room fitted up by the Saste whose vice of the story since the terrible panic of candles and isome ladies and isome ladies and simps the Mount Vernon to divelling cannot be very cheefful after night of candles and it impossible to sleep in the old Washington mansion, each occupying the room fitted up by the Saste whose vice with the ladies have charge of this dear and intercal place, and went there to stay, many of their friends lave gone to call up.

The man active part in the Italian struggle for unity, he was banished in 1834, and went to South America, where he joined the room fitted up their friends lately, the weather having been set fine.

Asp now, not satisfied with having thrances, and historical place, and went there to stay, many of these stoed charge of this day, on the ladies have charge of this day.

In the ladies have charge of this day, mand went there to stay, and went there to stay, and went there to stay, and in the remaining rand historical place, and went there to stay, and went there to stay, and went there is to stay.

In the ladies have charge of this day, and went there is to stay.

In the ladies have charge of this day of the first friends in the ladies are present call who are married cannot take their husbands red and martyr's grave : Lough nonred and martyre grave; Longiellow and Enerson are numbered with the dead; another, of whom we know very little in 1873, now holds the reins of government; business has revived; all industries are again in full blast; all is active and butlyear. There are also numerous men and women servants constantly there, some of whom are direct decendents of Gen. Wash-ington's servants and have never hired anywomen servants constantly there, some of again in full blast; all is active and buttered being and the annexation of those provinces to the kingdom of Italy. In 1802 he was made commander-in-chief of the Italian National guard, and led an expedition against the Papal States in which they are very proud. One of them is one of the best cooks imaginable, and while the ladies are staying at Mount Vernon they which he was wounded. In 1806 he re-

Finally we arrive in the noisy city polit. cally known as the "overgrown village on the Delaware." We see the new postoffice, the immense and very costly new public buildings, and with the exquisite Masonic temple in sight, and the grand depot of Mr.
John Wannamaker in our rear, we soon
enter the much taited of tenna. Elevated
railroad station. Here trains some and go
every two minutes. All moves smoothly ing through grassy banks and past the co-lest, neatest stations imaginable, and belo-we shake off the nervountess of the ci-we enter a cool forest. Out and away w go again through the green fields and rol ing ground of Chester county. The brake-

rush and a bang we are set down there and the train is gone. "Where is the Normal school, Bub?" and under the guidance of this cherub we wan-der through a slow, pokey town. No man-ufacture, small number of saloons, a large court house, fine churches and fiwellings; and, reaching the suburbs, we come upon a Our New York Letter.

and, reaching the suburbs, we come upon a large stone building, the West Chester State Normal School. Finely situated, roomy building, pretty grounds—all that could be derived to make pleasant and content the rugged path to learning and wisdom.

As we onlar the main ball we hear the mumbing of voices and clattering of dishes. The students are at supper; a kindly lady has carried a message for us soon supper is over; the merry lassies come tripping forth; we are looking out upon the charming landscape and dreamily listen to the sounds that are still cherished among our schoolday memories. There is a rustling sound, a cry of "Oh!" and we are not. When we are resus we dimly realize that we have been embraced by a schoolgirl—enthusiastically. We are shown the They Tore Down the Flaunting Lie-W.H. Vanderbilt a Little Roman Catholic "Prince" for \$10,000-Weekly Gossip of Enemies of the Andre monument should be satisfied now, that at last, after repeated efforts to destroy it, it lies prone on the ground in mute obedience to the vandalism whose exhibitions are becoming alarmingly frequent. I went up to Tappan yesterday to look at it, but there is nothing specially exciting in the spectacle of a polished shaft. exciting in the spectacle of a polished shaft What glorious opportunity the youth of to-day have! What a grand future for the ambitious souls! What a great and noble day have! What a great and noble ambitious souls! What a great and noble on the ground as though that was its normal condition. I suppose it will lie there indefinitely, although the suggestion has been made that the shaft itself be exploded with nitro-glycerine on the containg Fourth. The people of Tappan and the Sleepy Hollow a sort of a village itself which is now blosming like a garden, are far more enterpolations. The people of of granite, four feet square at the base, and
