Startling Prospect. The subjoined letter to the New York only equalled by his power of lying out Bun but echoes the apprehensions which tide of seemingly successful operation, our agaicultural area constantly increasdaily evening venture in the coaly city, developed, and our nation at peace both newsy and locally-spicy sheet, and we at home and abroad, that a general panic trust it can make its daily trips profitable permeating and paralyzing every industry of the land, as did those of 1857 and 1873, can be so imminent as "B.C." infers in his able paper. Yet, when we consider on the other hand, that with our that lone little island, she had better let dent financial policy, our enormous debt barked in thw most visionary and impracticable enterprises, it is apparent to financial crash might occur as suddenly as did the panic of '73 follow the bursting of the Jay Cooke bubble. We commend, heartily, the letter to the careful perusal of every voter. Addressing the editor of the Sun, the writer says:

matton i ir congressman.ad-large from when he rificts that all of the straw drop is consumed in the 1882 summer hat-brim.

The only man, nowadays, who feels periecity unconcerned and independent regarding the high-price of provisions is either in jail, the penitra iary or the graveyard.

Fourm or July should make the Hesthen-Chine celestially happy—he is the sole patentee of that infernal nuisance, the burn-breeding, fire-kinding "snap-chacker."

The second convention of the Cameron and alwards meets next Wednesday, the 21st. And then there will be goasting of the an in the 21st. And then there will be goasting of the an in the 21st. And then there will be goasting of the an in the 21st. And then there will be goasting of the an in the 21st and howless of anguish in the republican camp.

Regular correspondence of ADVOCATE. RESIGN OR DIE.

It is an old saying of politicians, that of what he and the public know to be many have felt would be the inevitable few die, and none resign, and a somewhat true. But it takes more than Oakes result of the reakless, break-neck speed careful observation of the ways of the pomemorandum book and a steal of and devil-take-the-hindmost manner ac- litical world confirms one in the truth of a few millions to put to shame such pious tracting the policy of every department the adage. But what is true of the placerepublican frauds as ex-Vice President of our national government for the past holders under a complaisant government, twenty years. The writer, "B. U.," evi- where the labors are easy, and the burden Do POLITICS PAY? Yes, we think so, dently knows whereof he speaks, and he light, by no means holds good in the case of and we believe ex-Senator and ex-Secre. sounds an alarm which it might be well the Executive Officers of our great railway tary of State James G. Blaine, will agree for our business men to heed and pre. corporations. No toiler in the mines or the their sea side cottage at Long Branch, for fields or blacksmith at his anvil, or convict working women Since 1859 Mr. Robert the \$10,000,000 fortune which is accred. While we may hardly believe that with behind prison bars, draws such continuous ited to him. In no other vocation could our present industrial pursuits at the full and heavy draits upon his vital, bodily and doing no harder work than setting in luxerous offices and drawing fat salaries. Thos. Scott was one of the ablest Executive officers that ever lived. His brain was large and clear: his constitution had been toughened by twisting the breaks on a freight car, and work to do. by the arduous manual labor which is required of a railroad employee, who mounts from the lowest round of the ladder to the unsettled and unsatisfactory system of highest by dint of faithful service; he had assassination. If England can't govern currency, our vacillating and improvi- able lieutenants to do his bidding, he had money enough to purchase all the comfort and profligate extravagance in every de- and luxury to be found in life, but in spite partment of government, both state and of all, he worked himself to death in the national, and the enormous capital em- service of corporations. He was President of dozens of railroads and other companies, the aggragate salaries amounting, it is said, quests at the Yorktown celebration. Mr. every calm and careful reasoner that a to \$175,000 per year. He worked unceasingly and at full speed. The labor he would and had read a liquor bill, amounting to not have required of any subordinate, or even of any locomotive on his road, he took down. Mr. Dingley, of Maine, got up and upon himself. He stood the strain as long as he could have done, but he was fighting against nature, and got knocked down at last, as any, and every other man will do, bill. Mr. Springer, of Illinois, remarked who tries the same combat.

The lesson and the warning have not been oat upon A. J. Cassatt, a successor of Mr. only \$400 of whiskey, the balance of the Scott, as active Vice President of the Penns sylvania. He resigns to save his life, Scott the trip as a big drunk. This remark fied because he would not resign. But each brought Mr. Martin, of Delaware, to his of the two men have been an example of the intense, westing, killing work, which he took upon himself as manager of a great railroad corporation. Perhaps both of them the river, and that no one was drunk on looked too much into details.

JAT GOULD'S WAY. I met him Wedn sday under the shadow of the Old Trinity church, as the chimes were ringing out the hour. The little man looked smaller than ever beside the tall steeple, and his high white hat did not add much to his stature. He's not going to die of intense overwork. He's of the shrewdest and crafticat of long-headed schemers, and he lays his plans far ahead and then works through lawyers, brokers, judges, courts and legislatures, until the end is brought about, and for patient and far reaching combinaons, I don't believe his equal can be found m all this broad land. But he don't wear bimself out, and don't look a year older than he did ten years ago when he was lay-

ness of being the mysterious burglar of the street,in surprises that take away the breath of prudent financiers, and empty the pockets of half the operators of the street. Gould has his pockets full of railroads and ron highway. But he never bothers about details. He acquires a line of road; decides

which of his enterprises it shall be made to especially help or hurt (for their is as much money to be made in knocking stocks down, as in hoisting them up) appoints a general nanager, gives him general instructions and then holds him responsible for the fiscal result. He deals at wholesale not at retail. and will never break down in trying to renember the details of the goods in his shop, nor in watching the porter and office boy.

Twenty paces behind Gord I met an old many whom I have known for years as a mechanical engineer and draftsman. He was not brisk as the millionaire, nor did he was not brisk as the millionaire, nor did he was not brisk as the millionaire, nor did he was not brisk as the millionaire, nor did he contrary, he was gray and bent, and with a weary, pleading, protesting look in the eyes that looked out from under shaggy brows. It is not looked out from under shaggy brows. Knowing that he had produced some really good and valuable inwentions, I seked after them. It would have been an unfortunate A BROKEN BEARTED INVESTOR. Twenty paces behind Gottal I met an old sections 4,919 and 4,921 for the use of pat fifth—imports largely exceeding expert. Sixth—Unnecessarily means taxes, which are as a millstone around the necks of the them. It would have been an unfortunate purchased in good faith for his private use me with bitter indignation of the diffi facturers are to be held liable. culty-almost the impossibility-of gutting The report of the judiciary committee of any railway appliances examined, tested or the House upon the Northern Pacific rail introduced, no matter how good it might road land grants takes the ground that un be, nor how much better and cheaper than der the limitations of the granting act "the

Our Washington Letter.

FROM OUR REGULAR CORRESPONDENT.

WASHINGTON, D. C., June10, 1882. There was considerable fun in the House vesterday over the item in the deficiency bill appropriating \$32,000, the amount of the deficiency for the entertainment of Cobb, of Indians, sent to the clerk's desk \$6,600, for liguor consumed on the trip had read a newspaper extract, which had characterized the trip down as a grand drunk, and he was opposed to paying the that it appeared by the bill that \$4,000 worth of champague had been drank, and whiskey being returned. He characterized feet, who denounced the statement of Mr. Springer, and said that he (Martin) was a member of that commission that went down that occasion. Mr. Springer was asked if he was there, but he proved an alibi by stating that he was in California at the time.

and had not an opportunity to enjoy the blow out. Mr. Robeson, of New Jersey, advocated the passage of the section, and was BANK STREET, Lehighton, Pa., fellowed by Mr. Blount, of Georgia, who said these articles had been furnished in good faith by merchants, and that they should be paid for. The amendment to strike out the section was lost, and it was passed by a viva voce vote. I believe the e is such an expression as "ginning up," int nded to indicate the process of personal replenishment from time to time with intoxicating liquors. When one recoilects that of these seven thousand dollars nearly four thousand were expended in champagns alone; that three hundred and forty dollars ing out a scheme for Jim Fisk to carry out. was expended in whiskey, and two hun-He delights in secret plans, in the conscious dred and twenty five in brandy, it will be seen that neither entertainers nor entertained had any foolish qualms of conscience whatever other qualms they may had after-

ward. Three bartenders and two boys were controls the policy of thousands of miles of the refreshments to juded patriots. But whether the nerves of the patriotism required stimulation need not be explained Perhaps a list of those who most enjoyed the tun would not be so very uninteresting. Several important meetings of leading lawyers from various sections of the country

have recently been held at the offices of Louis Bagger & Co., in this city, the chief object of which has been to protect against bill 6,018, which has passed the House This bill provides that no action for dam ages or proceeding in equity shall be sus tained, nor shall the party be liable under question for me if I had been in a hurry. I or for a firm engaged in the sale, they shall
