Democratic State Convention.

Pattiscn for Gevernor

Black for Lieut. Governor.

Clark for Judge.

Africa for Internal Affairs.

Elliot for Congressman.

State Convention assembled in the Opera opted almost unanimously. HARBISBURG, June 28 .- The Democratic House this morning. At 10.15 Chairman Begart called the delegates to order. in numbers the Convention was a full one, and in quality much above the average. After prayer had been offered by Rev. W. H. Dult, a brother of Senator Dill, Mr. Bogert an nonnead the Convention ready for business.

The roll of delegates was called. Charles any other city in the country, and the P. Burke entered a contest against Hugh bench and the har never fail to contrib-Colling for the seat from the First Senatorial ute more than a due proportion. In no District. The contest by Mr. Campbell way city of the country have such episodes withdrawn in the Sixth District leaving ex- between the court and counsel and betests announced were in Senatorial Districts marked their experience here. A very and some four or five in Repre entative few years ago within a comparatively mittee on Credentuals. When the name of shed c pious tears of mortification be-Senator Coxe was called it was greeted with a round of applause.

A G Bundage announced that he approved as a substitute for Senator Coxe. When ex-Representative Marshall entered a contest for the seat of Peter Monroe, the latter prose and remarked that he would like his seat contested by a Democrat, if at all.

mously elected temporary Chairman, and, sequently an associate of the first called on taking the chair, made a short address, an associate of the second a pup. Toin which he simply returned thanks for his day Labitutes of the court house were election.

Committees on Organization, Resolutions bills. Is the Criminal Court room, Mr and Credentials were then constituted, in the usual way, by the designation of one bearing and discourteous during the endelegate from each Senatorial district to tire progress of the star route trials, served serve on each committee, and it was agreed uotice, in characteristic style and manthat all resolutions presented should be re- uer, on the counsel for the prosecution ferred, without debate, to the Committee on that none of them must dare to speak to Resolutions. A short discussion was in- him. In the Equity Court room, about the charters of National banks was under dulged in as to the rights of delegates whose the same time, the judge presiding beseats were contested to participate in selec came involved in a heated controversy tion of committees.

the ruling.

ment was ordered it should be to meet at 3 garden. p. m. In supporting his motion Mr. Stenger Judge Bradley, of the United States

said he wanted the work of the Convention "thanked God that no whip-crack was heard in this Convention, and that no man has filed a denial of the application with was big enough to boss the Democratic party the cl-rk of the court. He bolds that the in this State."

Mr. Searight offered a resolution respectappointment, Mr.s Cheveillier, Secretary Ing the national Indian policy, and made a humorous speech on the subject until he was headed off on a point of order, and the resu-lution was referred, without being read, to W. Gedding. Superintendent of the Gev-the formation of the gevroment Hespital for the Insano, Dr G

AUGUST.

year combine to inspire the assembled

wisdom of the Nation with thoughts of

an early adjournment. The Ways and

Means Committee seeks to fix upon July

10th as the final day of the session, and

it is now thought that all the remaining

appropriations can be disposed of by that

ime. There are several important meas-

ures other than these which ought to be

noted upon before adj urament, but they

have been postponed and played with so

passing them. Though Congress hes

been in session nearly seven months no

measures of national importance have

been passed, except the act for the sup-

pression of Mormonism and the doubtful

long that there is now little chance of

wrongs done the prople. Fifth. We believe the Republican party not be interrupted. as now organized and controllod, is based on [FRON OUR SPECIAL CORRESPONDENT.] fraud, force and corruption, and there can be no hope for true reform except by the WASHINGTON, June 26, 1882. More progress has been made by Cos

force of the ballot box excluding it from place and power. gress during the last few days than in the Sixth. The Denneratie party demands a whole month previous. The hot weather legislative and honest, just and true apporand the necessity of looking after Congressional fences about this season of the tionments.

Seventh. Upon these declarations we invite the co-operation of all honest citizens who, with us, desire the re-establishment of bouvst government. A resolution tending Judge Sharswood the thanks of the Convention for his eminent public services as a jurist was unani-

ously adopted. NEW RULES. Mr. Hensel also reported a set of new ales for the government of the Democratic party in the State and and moved their ad-

option. After short debate they were ad-Our Washington Letter.
