

The Carbon Advocate.

SATURDAY, JULY 1, 1882.

Out Neighborhood in Brief.

The ice cream business is brisk. The Fourth of July is "night out" as usual. The water works at Tanques are being enlarged.

A good crop of buckwheats is promised this year. And now we are to have a photograph gallery. Stationing was incorporated as a borough in 1864.

There are 51 prisoners in the Eastern jail. Fuel and food are as high now as they were in 1864. Mr. John Peters of this place, is afflicted with fever and ague.

At present there are only 23 patients in the St. Luke's hospital. The best way to bring down the price of meat is to stop eating it. A half peck of strawberries brings less than a half peck of potatoes.

Never have we in never will be under \$1. J. T. Nusbaum. Stock No. 1 of the Allentown Iron Works has just been put in blast.

The house by Knowlton has buzz and death in it with a vengeance. The thermometer was high today on Sunday—up to 85 degrees. Blank Cartridges only NINE CENTS per box, at E. H. Hohl's Mauch Chunk.

It is now stated that our streets will be sprinkled after Monday. There are quite a number of visitors in town. There is to be a picnic at Perryville on the Fourth.

William Miller, of Second street, has had his dwelling house raised about one foot and is advertising it accordingly, which enhances its value considerably.

All the fixtures of the Thomas Iron Chain and Machine Co., Lehigh and East Penn, are in blast and working splendidly. The tent containing human curiosities connected with Barrett's Circus blow down at Bethlehem on Monday, and the bearded woman was badly injured.

Continued from the former goods in various varieties—new and light—at very bottom prices, at Claus & Bro's, Bank st. As the season approaches for picnic the vacant seats in the Sunday schools are filling up, and the average boy and girl is unwilling to become a regular scholar.

The old barn, above the bank, which has long been a disgrace to Bank street is being torn down and a frame dwelling house is to be erected in its place. Boots and shoes for ladies, gentlemen, misses, youths and children, of the latest style and at lowest prices, at Claus & Bro's, Lehigh.

The Lehigh Valley Railroad Company has declared a quarterly dividend of one and one-half per cent, on the capital stock of the company, payable on and after July 15th. John Wertman, of Mahoning, an old man about 60 years of age, died very suddenly on Monday. He was taken with a fit about 11 o'clock a. m., and died at 3 o'clock p. m.

Boys and shoes for ladies, gentlemen, misses, youths and children, of the latest style and at lowest prices, at Claus & Bro's, Lehigh. You will find a large stock of the most elegant designs in WALL PAPER and BORDER, at Dr. C. T. Horn's drug store, at Lehigh's Block, at very low prices. Make your selections now.

Willie, a young son of Mrs. Granville Claus, of Bank street, this borough, had the fore finger of his right hand crushed by having it caught between the wheels of an ice cream freezer. The best thing for potato bugs, says the agricultural paper, is to use lime. It makes the potato bugs hold their nose and walk off to the pig pen to get a breath of fresh air.

Judging from the number of watches E. H. Hohl is selling, his prices can not be reached by any other dealer in this part of the county. We advise our readers to call and see his large stock—goods and prices sure to suit. During the week ending June 23, there were 108,094 tons of coal shipped over the L. & R. R.R., making a total to date of 1,987,245 tons, an increase as compared to same time last year of 1,680 tons.

From the County Seat.

The annual commencement of the graduating class was held in Concert Hall on last Thursday evening, at 7:30 o'clock. The names of those who graduated are as follows: Misses Emma Butler, Frances Cole, Rebecca Giles and Hattie Hyndman, and Masters Win L. Yeager and Thomas Boyd. We are unable at this writing to give the particulars of the exercises, but the most angustious expectations of their friends.

On last Monday our borough was unusually lively caused partly by an excursion of the New York Sharp Shooters and partly by a free ride to the citizens of this borough given by E. B. Bryington, Passenger Agent of the L. V. R. R. The latest news from the seat of war is that the enemy have advanced as far as the old camp, where an armistice is in a hand to hand conflict ensued in which several persons were slightly wounded. The combatants are now resting under an order from the civil authorities. Some of the principal parties have been arrested and bound over to keep the peace etc. All is going along the line, except a little crossing by the outer picket guard.

Mr. Allen Craig left Tuesday to attend the Democratic Convention at Harrisburg, and is expected to return on Friday for office, and he would not complain if he had received the nomination for Governor but, rather inclined to throw up our hat. Mr. Lamb, Mrs. Lewis and their husband; Philipburg, N. J. Mrs. Asker and Mrs. Demorest, of Bridgeton, Conn.; Mrs. V. Daretta, of Millerton, Pa.; Dr. Wm. Stiles, of Washington, N. J., and Dr. George Stiles, of Millerton, Pa., all near relatives of Mrs. Sarah Stroth, deceased, were in attendance at her funeral on last Monday afternoon.

What our churches need—More Daniels and less East. More Abrahams and fewer Lots. More repenting Peters and fewer betraying Judas. More Christian fidelity and less worldly indulgence. More benevolence and less idly idleness. More hearty and less cold devotion. We should not be surprised if some of our citizens who visited G. O. Quaker last Monday night were haunted with the question, "Where art thou?" The young ladies of our borough held a newberry and ice cream festival on last Tuesday and Wednesday evening, at the residence of the late Mrs. Wm. A. Quaker, at the Marine Hotel Co. We have not as yet learned the result financially.

Mrs. Sarah Stroth, daughter of William and Sarah Stroth, late of Phillipsburg, N. J., and wife of Amos Stroth, of this place, passed peacefully and calmly away, after a lingering illness of several months, a few moments after six o'clock, on last Saturday morning, and was buried on Monday afternoon at 2 o'clock, in the Upper Mauch Chunk cemetery. She leaves to mourn her absence a husband and five children, five sons, two brothers and many friends and relatives. Her funeral was held on Wednesday, Northampton county, December 15, 1879, some in this place in 1848 died and was buried in the same place. She was a true and devoted wife, a kind and indulgent mother, and a tender and loving sister. Her anxiety and solicitude for her family was her chief desire and her home her world; her intercourse with her neighbors was always pleasant and agreeable, constantly manifesting a disposition to do what she believed to be right and just, having in view the comfort and happiness of all. Her bereaved friends are consoled with the pleasing thought that they are permitted to look through their tears with mingled sorrow and joy to the beautiful beyond where she lies in peaceful rest and eternal glory.

Our public roads contain too many loose stones scattered about. Our Supervisors should remove them at once. Dayly Lieutenant of Lehigh Gap is rapidly recovering from a severe attack of diphtheria. Mr. Anawalt the Superintendent of the Women's Sunday school, was visiting the St. John's Sunday school at Lehigh, last Sunday. He favored the school with an address. Call again. Nicholas Kill received the County diploma for 1882, for Lower Towneaming township.

The Lehigh Gap Sunday school will hold a festival this Saturday evening (July 1st) for the purpose of raising money towards the payment of their organ. Assessors are now required to make a registry of qualified voters until the first Monday in August. A copy of said voters will be hung up at the place of election, sixty days previous to said election and registry will be sent to County Commission and forwarded with election papers. Farmers commenced to make hay the first part of the week. There will be no picnics held here on July 4th.

A. Kern, is agent for the Crown Sewing machine. The "New Perpetual Letter" is the best in cultivation. Gardeners give it a trial. Cux. An evening last week a freight engine on the Lehigh Valley, between Bethlehem and East Penn. Junction, struck a cow wrecking a car of pig iron and knocking up the north bound track for a short time. The cow was badly wrecked, but was speedily removed. Have you seen the new and elegant stock spring and summer mountaintailoring goods, comprising cloths, cassimeres and suitings, just received at Claus & Bro's, Bank street, Lehigh? They are really not all set out. Good fits guaranteed at price to suit you all.
