Valley, about 140 miles north of Reno, he

carry off the foul matter .- N. O. Pycaune. -The Virginia, Nev., Chronicle mays that

was met by a cloud of crickets that almos impeded his progress. -An American cititzen remained up

tree in Carrollton, Georgia, jail yard for thirisen hours to see a man hanged. He alept in the tree, tying hinsell to a limb by means of his cost tails.

-The monace which hangs over the American Republic at this time is the use of money in politics. When elections can be carried by the use of money there is litthe use in holding elections.

-In Australia in 1862 there were three men to be found to one woman in the entire population. Since then the number of inhabitants has more than doubled, but still there are 200,000 more men than women.

The GREAT GREMAN PSVIGORATOR is the unarvel of the Medical World. It nev-er fails to completely care Nervous Debility Impotency, Mental Depression, and all diencode angel from excesses. The testmony encoder angel from excesses. The testmony of thousands can be had by writing to F. J. CHENEY, Toledo, Ora, sole agent for the United States. Price \$1.60 per bes, six boxes for \$5.00. If your druggist does not seep the remedy and to headquarters and get the medicine by mail. Circulars and batmonials on application. Wholesale and retail by Dr. Charles T. Horo, Bank street, Leshighton.

-The Republican reformers continue to write for the magazines. They presistently refuse to attend primaries or go to the polis, save to support the inachine.

-An exchange scents of "a striking window ornament." We know of one. It is the pretty nonsemand who sits on the sill, washing the windows with soup and a will.

-That flat hat that is so prevalent at tais time is liked by the young men was wear it, because they can reach over the edges and hold at on with their cars when the wind blows.

When you have an rulated -you swellof hand you neve at magned you work of hand, decayed form, you to not take and fiil your stomach with decays to cure it, but apply a costing influent of strag solding interim directly to the parts.
