Our Neighborhood in Brief.

Dog days are over. Peaches are cheap and plentiful. Our schools opened on Monday last. Horse thieves are on their rounds again. Many shade trees have been injured by caterpillars.

New pavements are needed in many parts of the city. J. L. Gabel is erecting a frame dwelling-house on Third street. The Board of Pardons will meet at Harrisburg on the 19th inst.

Plant your fall advertisements and reap your reward in a big trade. See the splendid line of silversware just added to E. H. Hohl's fine stock.

Squirrel shooting can be done legally now if you can find the squirrels. A delightful shower passed over this place on last Sunday evening.

Mr. Lines Gray of Stroudsburg, was in town several days this week. Buy the dust proof rain watch sold by E. H. Hohl, Mauch Chunk.

Misses Ella and Ida Claus, of this place, are visiting friends and relatives in Pottsville and Reading. Clocks, watches, jewelry and silverware for sale, and repairing done at Hagan's Store, Lehigh, Pa.

The Thomas Iron Company will hold its annual election on Tuesday, September 12th. Milley, the Summit Hill runner, took the first prize in the half mile race on Tuesday afternoon.

The Lehigh Valley Cement Company is building two new kilns at its Works at Siegfried's Bridge. No other such an investment in Lehigh Valley, as can be seen at E. H. Hohl's, Mauch Chunk.

Parents and guardians will do well by keeping their children from running the streets so late at night. Wm. Schoch, of town, had his finger severely injured while coupling cars at Mauch Chunk, on Wednesday.

From the County Seat.

Nearly over—Peaches. Looking old—Potatoes. Important folks—Voters. Always welcome—Pay-day. Plenty and fine—Tomatoes. Getting cool—the evenings.

The corner stone of the new St. Francis Catholic Church, at Pottsville, was laid Saturday. Bishop O'Hara, of Scranton, officiated, assisted by several priests of the diocese. A large crowd was in attendance.

And that fellow was the Democratic nominee for Sheriff, and don't you forget it. If you have a cold or cough of any kind, try a bottle of Hill's Powerful Cough Syrup at Dr. C. T. Horn's drug store.

Coming to all contracts in hand having been finished up, the Car Shops at Fullerton, Lehigh County, last week suspended operations in the wood working and some other departments, and as a consequence upwards of 600 hands were thrown into idleness for the time being.

An extensive cave in occurred Wednesday at Lehigh Creek, on the Lehigh Valley Railroad, about three miles from Shenandoah. The ground continued settling during the day, and at three o'clock in the afternoon a seam was opened along the railroad track, about three feet in width and 1000 yards in length.

Dr. J. A. Mayer, the practical Surgeon Dentist, of Broadway, Mauch Chunk, has had a practice of over 20 years, and is probably the oldest resident dentist in this valley. The Dr.'s work speaks for itself, and the prompt attention given to his patients is given to him in a sufficient guarantee of his superior ability as a Surgeon Dentist.

Good advice in the matter of Investments or Speculations in Stocks, is worth a great deal. We hear that Messrs. E. H. Hohl and J. H. Hohl, the correspondents of 100 American papers, send to subscribers for \$1 per quarter, a Private Financial Letter of information, concerning the N. Y. Stock market. They are important and independent, and ought to be given a fair trial.

About 1 o'clock Monday afternoon the body of Aaron Usher, a man about forty-two years of age, married, was found suspended from a rafter in his barn in Bethlehem. The bed cord with which he had hung himself was cut and the man taken down, but he was extinct. Usher had been suffering from consumption for a long time and had recently had frequent hemorrhages from the lungs. The deceased had recently shown signs of deep melancholy. He was highly esteemed in the community as a sober, upright and kind-hearted man.

Two Peculiar Accidents. John Gallagher, aged 12 years, had his leg severely broken Thursday morning by slipping on a board while at work on several red-hot bars, while at his work in the merchant mill of the Bethlehem Iron Company. A curious accident occurred at the same works on the same day. Michael Quinn was working at a large steam hammer in the steel mill and while in the act of raising an ingot of steel the hoop slipped and struck him under the chin with such force as to almost cut off his tongue, which was afterwards stitched up.

Big Creek Doings.

Flowing—usually does. Summer is rapidly drawing to a close. In order to make the County Fair. Cool mornings and evenings will soon be upon us. Cider and apples will be scarce this year.

The back-wheat crop will be light this year. Mrs. Mary Krum, of Scranton, is home on a visit to her parents. The potato bog has left for parts unknown. Timothy seed is said to be plenty this year.

Good hay is selling at from \$18 to \$20 per ton. Fish seem to be very scarce this year, especially in our waters. Wilson Shoenberger left for Kansas again last week. Advertising pays. This is the opinion of all good business men.

Hon. J. G. Zern and Wm. M. Repsher were at this place on Saturday last. A good shower of rain visited us again on Sunday night. William Leves sold his horse to Jefferson White last week for \$75.

Mr. Casper Neeb, of Pine Run, is repairing his house towards completion. The carpenter work is being done by Paul Buck and Philip Welch. We had a pleasant call from Rev. A. Kindt, of Parryville, on Saturday while on his way to Fort Sumpter, where he preached in the evening.

But very little threshing has been done by our farmers so far, nor will there be until after the seeding has been done.

Ray averages from 4 to 6 bushels per 100 acres this year, which is called good by farmers. Lewis Leves, who left for St. Mary's, Elk Co., writes that he is receiving \$5 per month and board for selling trees. Mr. L. is an expert at handling the axe.

Mrs. C. Radtke was in attendance at the Evangelical Conference, near Slatington last week. The visitors from this place were few this year. The Conference of the Evangelical Association for this Circuit will be held in the Snyder's Church, near Lehigh Gap, to-day (Saturday), at 2 o'clock p. m., and to-morrow (Sunday) the Lord's Supper will be administered by the Presiding Elder, Rev. Hammond, assisted by Rev. A. Kindt, pastor in charge. All are invited.

How many paid correspondents does the Gazette count on its list? If the Gazette will be so kind as to answer us this question, we will have but one more to ask. The school house at Moria Furnace has been repaired by order of the School Board; the contract was given to Messrs. Anthony and Driehack. The Supervisor, Mr. Jacob Ziegenfuss, has put a number of strong props under the bridge across Big Creek, at Daniel Krum's.

The rains have put the ground in good condition for plowing, preparatory to wheat seeding. F. R. Alexander, of Bethlehem, District Agent for the New Era Life Insurance Co., of Philadelphia, was in town Thursday, looking unusually well. He reports business as flourishing. "How far is it to Mauch Chunk?" asked a weary Irishman, who was going there about "Friday mornin'." Was the reply, "It's about 100 miles." "What's the use of it?" asked the man. "Faith it's no use at all," was the reply. "Faith it's no use at all," was the reply.

A horse thief escaped. Officer Smith of Allentown, had a serious encounter with a horse thief Monday afternoon. He had followed and overtaken the thief near Pottsville and was on his return to Allentown when the latter suddenly jumped out of the carriage and picked up a heavy stone. The officer promptly jumped out, but slipped and fell, and while trying to restrain the thief struck him several blows on the head, partially stunning him. The blood streamed off over the officer's face, but having no weapon with him he could not defend himself effectually. The thief would probably have killed the officer had not a man approached in a wagon. Feeling re-arrat the thief fled and took to the woods in the Lehigh Mountain near Emmaus. The thief was seen with a horse on Sunday morning from George Sasman, of Allentown.

The Anthracite Coal Trade.

Philadelphia Letter, 4th inst. The anthracite coal trade remains nearly steady, but is quite dull, though the amount of business doing at the mines is large. On the 26th ult., the surplus stock of coal at Port Richmond was 97,000 tons, while on the 2d inst. a week later the stock was but 58,000 tons. This is a fact which shows a steady shrinkage of the stock of coal on hand. The Reading Railroad is doing an amount of business almost equal to its greatest total at any time heretofore, and the belief is general among the best informed in the trade that all the coal that is likely to be brought on the market during the remainder of the year will meet with sale. While there is a surplus of coal in the market there is no glut, nor is there at this time any probability of a further restriction of production. The Lehigh Valley Coal Company is producing largely this year, showing that considerably increased tonnage over that of last year. The whole business of the Reading Railroad region has largely increased; the coal tonnage, the passenger travel, the merchandise traffic and everything connected with transportation is on the upward move. Nearly everything requires larger figures to cover them. We have repeatedly during the past year called attention to the growth of the trade of the far West into our Lehigh coal region. The amount of anthracite coal in each successive year going west increases. The Engineering Journal, in its last issue, says: "Although usually the last week of the month, the time preceding the announcement of new circular rates, is the busiest, we cannot but say that, except in a few instances, there has been no unusual activity. While it is conceded on all hands that the coal trade is one of an important character at times not far off, there is no doubt that there has been the important change just now. It is expected that the improved market noted will last till the end of November or the beginning of December, when, it is feared, heavy production will weigh on prices. In the open market coal is selling at low figures, though the companies claim to be retaining any more business at August rates. There is no doubt that there is still considerable cheap coal in the market, and before that is cleared there can be little chance of better figures." The Miner's Journal, writing of the Schuylkill region, says: "The six days' suspension seems to be that which is necessary to establish the trade for the remainder of the year. Orders for September indicate that the trade for that month, at least, will be very brisk. Prices for stone and chestnut coal to tide water for shipment to competitive points have been advanced for September by the Delaware and Lackawanna, Delaware and Hudson, Lehigh and Wilkesbarre, Philadelphia and Reading, and Lehigh Valley.

The total tonnage of anthracite coal from all the regions for the week ending Aug. 26, as reported by the several carrying companies, amounted to 658,913 tons, against 629,997 tons in the corresponding week last year, an increase of 47,916 tons. The total amount of anthracite mined for the year is 17,841,171 tons, against 17,102,000 tons in the same period last year, an increase of 739,171 tons.

For the week ending on the 26th inst., 178,205 tons of coal was transported over the L. & N. R. R., making a total of 4,232,000 tons to that date, and showing an increase of 366,082 as compared with same time last year. During the 11 days ending Aug. 31, there were 178,210 tons of coal shipped over the L. & N. R. R., making a total to date of 2,922,709 tons, an increase as compared to same time last year of 72,491 tons.

A mortgage for \$160,000.00 was recorded in the office of the Register of Deeds in Philadelphia, Pa. It was executed on Saturday last, jointly by the Philadelphia and Reading Coal and Iron Company, and covers the entire property of every kind, real and personal, with all rights, privileges and franchises, including all leasehold interests. This is the mortgage under which the 5 per cent. bonds are issued, the proceeds of which are intended to redeem all money so that it will ultimately become a first lien for the only bonds outstanding, namely, the 5 per cent. Bonds. Copies of the mortgage will also be recorded in the various counties of Pennsylvania, New York and Virginia where the company's property is located.

Peculiar Accident to a Woman. Mrs. Elizabeth Weidmeyer, an old and respected lady, 60 years of age, living near the Sagon Church, a few miles below Bethlehem, went out on her lawn and into the hay mow Saturday to throw down some hay for her horse. While in one corner of the mow, which was well filled with new hay, she fell head foremost into a large hole in the hay and sank in the loose hay up to her head, a distance of six feet. Her screams for help were heard by some neighbors. Constable Moyer saw the hay mow slightly and, taking a portion of it away, discovered Mrs. Weidmeyer beneath it, all most suffocated. Had she remained under the hay a few minutes longer she would certainly have been suffocated.

The Missing Annie Snyder Found. On a Misses Friday night Elsiea John Smith, living on Delaware street, Easton, called at police headquarters and reported that the missing girl Annie Snyder was at his home. The announcement created great excitement. It seems that Mrs. Johnson advertised for a young servant girl and on Tuesday night she engaged one, who gave her name as Annie Snyder, of Philadelphia. The mysterious disappearance of the Snyder girl was talked of repeatedly in her presence, but she never gave the slightest indication of her identity. Mr. Johnson's attention was called to his new girl by an article in an evening paper, and he accused the girl of being Annie Snyder. She broke down and admitted that she was the runaway. She was sent to her parents.

A Smash up. A wreck occurred on the Wroning division of the Lehigh Valley Road near Lehighville Monday morning. A freight train was passing on a side track in get out of the way of the passenger train, but was not fully in before the latter came along at a good rate of speed and went crashing into the rear of the freight, making a complete wreck of the passenger engine. The caboose of the freight train was lifted upon the engine, and the conductor of the freight and rear brakeman were seriously injured. The engineer and the fireman of the passenger train escaped injury. The passenger cars were well shaken up, but no one was hurt.
