Burned to Death. Mrs. Salome Wieder, aged eighty-eight years, who has been an immate of the Lehigh County Almshouse for the last twentyseven years and totally blind, while alone in her room Monday afternoon accidentally set her cluthes on fire. By the time alarm death followed in a short time. Dr. J. D. Erdman, the physician, was called and relieved the sufferer somewhat. By great exertions the fire in the building was extinguished before it reached the other buildings and thus prevented the destruction of the institution, with its many hundreds of inmates. Mr. W. R. Henninger, assistant steward of the institution, while making an effort to rescue the woman from the flames was also seriously though not dangerously burnt.

many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Brown's Iron BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why Brown's IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, malaria, intermittent fevers, &c.

> soy S. Paca St., Daltimore. I was a great autierer from Dyspepsia, and for several weeks could eat nothing and was growing weaker every day. I tried Brown's Iron Bitters, and am happy to say I now have a good appetite and am getting stronger. Jos. McCawley.

Brown's Iron BITTERS is not a drink and does not contain whiskey. It is the only preparation of Iron that causes no injurious effects. Get the genuine. Don't be imposed on with imitations.

This remedy will act in harmony with the Fennele system at all times, and also immediately upon the abdominal and uterine muscles, and restore them to a healthy and strong condition.

The people generally get that which they make a market for. They demanded by er newspapers, and within the last few years journalism has made rapid a rates. THE TIME. which, from the day of its first issue, took place to the front runk of progressive journals has kept along at the double-quick step, and at this time is a better newspaper than ever. It is a journal that never sleeps and never takes a holiday. As there are 363 days, so there are 363 issues of THE TIMES to a year. The week-day lesue of THE TIMES is of four pages, being in a farm suitable for the busy man or the busy wagran. The Sanday edition, of eight pages contains a great soul of the best miscellary as well as all the news. The editorial strength of THE TIMES used not be dwelt upon—the fact that it is quoted more than any other paper in America is sufficient evidence of its excellence in that direction. Nor need that typographical superiority be more than mentioned -for it is widely known as " the hand-
