You will find cise. If we visit our courts we will find that not only are we deficient in remembering dates in history, but also in all our business transactions, and lawyers make good

> timony of witnesses. Cultivate the habit of remembering dates.

Methods of Teaching History : 1st. Use the History as a reading book. This is a very good way. Then have the pupils tell you about what they have been reading. Have them put the facts in their own language. If you have been teaching by having the scholars commit the language in the book, turn over a new leaf at once I never knew any one to knew much about history that was taught in that way. Let a pupil read a lesson and then the teacher can supplement what the book lacks. In can supplement what the book lacks. In this way the teacher will put it in language

He proved to be Gerrity, of the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the earth's distance from the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and bis death is to compute the series of the Northern Liberties, and the most merchant tailoring establishments the places of holding elections in Allen carry, and much larger than can be found in any of the tailoring stores, and being gentlemen of taste the style of their goods is gentlemen of taste the style of their goods is December 25rd, 1882. w4

an atternoon paper, on Monday last changed to a morning issue, at 6 cents per week.

The Plain Speaker is a bright, newey sheet, and should be found on the breakfast table of ever resident in and around Hazleton.

So D. S. Bock, opposite the "Carbon House, Bank street, Lehighton, has on hand"

The Plain Speaker is a bright, newey sheet, and of the solaries they are paying to their teach sky, it evidently had not snowed at all, as there wasn't a speek of it to be seen. I may write you shortly, when I get more time, and of the superintendent when they write you shortly, when I get more time, and of the superintendent when they write you shortly, when I get more time, and give you shortly, when I get more time, and the single of the consulting the Superintendent when they write you shortly, when I get more time, and of the superintendent when they write you shortly, when I get more time, and of the superintendent with the subtraction of the superintendent with of ever resident in and around Hazleton.

D. S. Bock, opposite the "Carson House, Bank street, Lehighton,has on hand an elegant assortiment of Watches, Clocks and Jewelry, suitable for Holiday and Birthday presents. Call and see for your-prospectus of which journal appears in an elegant.

Description of the Philadelphia Times, the prospectus of which journal appears in an elegant assortiment of Watches, Clocks and see for your-prospectus of which journal appears in an elegant. The Sila ber of working units and that each say of the passenger train on the Lehigh Valley Railbard of Friday morning brought down two that the hardened auffering human beings from Bock; ort, on had trouble in getting it back." The man had trouble in getting it back." The man had trouble in getting it back." mentioning the Philadelphia Times, the prospectus of which journal appears in another column. The Times has got to be a sort of necessity with some people of this community and it ought to be with many more. It has many imitators all over the land, but there is really nothing like The Times from Maine to California. We have persuaded ourselves at times that the reason. be contested for by Miss Maggie Cull, of Times from Maine to Culifornia. We have Miss Sager then favored the Institute with them. The faces of both were completely hood. May is still slive, but is very low,

We have since learned that May died -The brick-work on the new M. E.

church is about finished and the carpenters

LAST NOTICE.

Delinquent subscribers receiving the Carbon Advocate by mail, and finding a cross (X) marked thereon, will please remit the amount of their indebtedness at once, most of them have had bills, but so far have failed to respond. Unless we receive the amount before January 1st, 18:3, the paper will be discontinued, and their accounts offered through the columns of the paper at private sale, -William Maldenwald who has been whether you get cross about

New Life

is given by using Brown's IRON BITTERS. In the Winter it strengthens and warms the system; in the Spring it enriches the blood and conquers disease; in the Summer it gives tone to the nerves and digestive organs; in the Fall it enables the system to stand the shock of sudden changes.

In no way can disease be so surely prevented as by keeping the system in perfect condition. Brown's IRON BITTERS ensures perfect health through the changing seasons, it disarms the danger from impure water and miasmatic air. and it prevents Consumption, Kidney and Liver Discase, &c.

H. S. Berlin, Esq., of the well-known firm of H. S. Berlin & Co., Attorneys, Le Droit Building, Washington, D. C., writes, Dec. 5th, 1381:

Centlemen : I take pleas-Brown's Iron Hitters for macaused by overwork, with excellent results.

Beware of imitations. Ask for Brown's Iron Bit-TERS, and insist on having it. Don't be imposed on with something recommended as "just as good." The genuine is made only by the Brown Chemical Co. Baltimore, Md.

HOW to LIVE!

CAN MAKE PER MONTE AGENTS Wanted for Books & Bibles

The people generally get that which they make a market for. They demanded be er newspapers, and within the last few years journs ism has made rapid strides. THE TIMES, which, from the day of its first issue, took place in the front rank of frogressive journalism, has kept along at the double quick step, and at this time is a better newspaper than ever. It is a journal that never sleeps and never takes a holiday. As there are 345 days, so there are 365 issues of THE TIMES in a year. The week-day issue of THE TIMES is of four pages, being in a form suitable for the busy man or the busy wonfan. The Sunday edition, of eight pages contains a great deal of the best miscellany as well as all the news. The editorial strength of THE TIMES need not be dwelt upon-the fact that it is quoted more than any other paper in America is sufficient evidence of its excellence to that direction. Nor need the typographical superiority be more than mentioned -for it is widely known as "the banu-

The Philadelphia Weekly Times

Covers a distinct field. Into THE WEEKLY goes the cream of the daily issues and at the same time it contains matter especially adapted to the wants of readers in every part of Amorics. It circulates, as a first class family journal, in every State and Territory, and it has subscribers in every part of the world. The leading feature of THE WEEKLY is the "AN-NALS OF THE WAR." This department embraces chapters of quarriten history, contributed by prominent actors in the War of the Rebellion, and it has become the recognized deposiwary of such matters whether from Northern or Southern sources. The ANNALS will be nd kept fully up to the high standard of former years.
