remarked, "ought to provide for their than the courts, if he seeks redress."

MR. A. H. KEANE has described Krno a seven-year-old female child now at the London Royal Aquarium, who is sensationally claimed by her exhibitor to be the long-sought "missing link" between man and the higher epes. Krao is fairly intelligent, and her short stay among civilized people has already caused her to dislike her old savage associates. Sue has several physical peculiarities, the chief of which are a forehead covered with thick black hair down to the bushy eyebrows, a growth of hair about a quarter of an inch long over her body, prehensile feet and remarkably flexible hands. Mr. Keane fluds, however, the gave a hearing to-day, upon the bill "to point of chief interest to be Krao's his. prevent the importation of adulterated tory, which seems to indicate the existence of a hairy race of people in a part of Iudia now chiefly occupied by almost hairless Mongolvid people. Krao and plained the English laws upon the subher parents-also hairy people-were ject and the safeguards which the British found last year by Mr. Carl Book, and another hairy family which came from portation of tea into that country. The the same region is said to have been known.

> Our Washington Letter. [FROM OUR SPECIAL CORRESPONDENT.]

Washington, D. C., Feb. 3, 1883.

The first public reception of the winter by President Arthur was held at the White House on Tuesday evening. Full preparations were made for the large crowd expected, and potted plants upor mantels and consoles were the only decorations made. A special entrance was arranged through the south portice and Red Parlor for the Cabinet and Diplomatic Corps and another exit for the public was made by bridging the space PR F. LEIDY has related the case of the between the hall winds and the outer sudden death of a cow, which was milked drive on the north front. The Marine one night (when it appeared perfectly Band was stationed in the vestibule and well) and died the next morning. A played throughout the evening. The number of deaths under like circum- private and state dining rooms used for stances having previously taken place in cloak rooms. The receiving party stood the same herd, an examination of this in the Blue Room and the President cow was made, when the spleen was was assisted by Mrs. and Miss McElroy, found to be gorged with blood teeming Mrs. Frelingbuysen, Mrs. Chandler, Mrs. with the organisms known as Bacill. - Brewster, Mrs. Teller, Mrs. McMichael anthracis, which are regarded as the and Mrs. Rockwell. PO AGENTS WANTED. RUSSIAN NIHILISM AND

BY J. W BUFL.

This spiendid new book presents a thrilling panorama of Life in Russia and Siberia. It in the panorama of Life in Russia and Siberia. It in the panorama of Life in Russia and Siberia. It in the panorama of the Russian Empire. It tells of that mysteriaus and wonderlat organization known as Nhilliam. It gives the unwritten history of the Russian Empire. It tells of mysterious adventures with in mysterious people. It describes desperate hand-to-hand combats with pistola and knives in clused rooms between the police and the Nhillists. It paints EXILE LIFE IN SIBERIA in vivid and startling enters. It relates famous hants and adventures with with wild animals on the frosen plains of the far North. It for the first time exposes the real horrors of existence among the Siberian convicts. It describes the horrible instruments of tortures sanctioned and used by the Russian Government. It relates the Personal Experiences of the author during his travels. It tells all that one could wish to know about Russiand Siberia. It is the most thrilling record of travel and adventure ever written; not related storels, but FACTS witnessed by the author in person and sanctioned by the United States Giovernment. 600 large page and over 200 hundred fine illustrations. Price, 450. No book like it on earth. Outsells all other books. AGENTS WANTED. Write at once for Flettorial Circulars and fall particulars, or send 50 cents in money or stamps for Complete Canvassing Outnit. Act quick and secure first choice of territory.
