DON'T STEP ON A ROLLING STONE! That is what Captain Allen of the Fire Department of Worcester did, and that he would hurt his ankle so badly.

After the doctor set the broken bone, Captain Allen used Frank Davis's Pain Killer as a liniment. The swelling was soon removed, and the Captain was well in a short time.

Knowing the accidents to which firemen are constantly subject, Captain Allen advises everybody connected with a Fire Department to keep a bottle of Frank Davis's Pain Killer at hand.

An appropriate name for a bulldog—Agrippa. —The medal some scholar doesn't take the prize.

—A coat is nothing more or less than a waist band. —A cynical old bachelor says it is called courtship because it is often followed by shipwreck.

—A young man whose girl's name was Susan, said that when he left the world he wanted to go by Suez's side. —An advertiser says: Hands wanted on calico waives. All right, if it is a pretty figure here's one pair of hands.

"BUCKLE UP!" Quick, complete cure, all annoying Kidney, Bladder and Urinary Diseases. \$1 Druggists. —A plumber, who was about to die, said: "My only regret about dying is because I am going where water-pipes never freeze up."
