Surely, if I were a forger and a political leper, as some newspapers declars mo, these things could not have happened.

If the public man, whom you say has been an "active, able and industrious legislator," remains longer silent under these baseles charges, they will become crystallized into political history, false and unfounded

though they be. THESUN IS ALWAYS Under our political system the publi man has much to bear of criticism and injustice from the political press; but I trust that the press will not deay to one of them who seeks to do his duty, as he sees it, to

calumny. Very respectfully yours WILLIAM A. WALLACE. Continental Hotel, Phila., April 21.
