AN IDYL OF THE STREET. Girl on a ladder, Mopping off a winder;

Mopping off a winder;
'Long comes a man,
With no one nigh to hinder;
Climbs up the ladder,
Puts his arm around her,
Smacks ber on the mouth—
A forty horse power sounder—
Naughty man!

The girl turns around, With a sudden step, Reaches for the man
To use him for a mop.
Gets a good, strong hold,
No one nigh to hinder, Goes right ahead alopping off the winder— With the man!
