There is a terrible future for all physical neglect, and impending danger always brings a person to his senses, even though it may then be too late. I realized, at last my critical condition and proused myself to overcome it. And, oh! how hard I tried I consulted the best medical skirl in the land. I visited all the prominent mineral springs in America and travelled from Maine to California. Still I grew worse. No two physicians agreed as to my malady. One said I was troubled with a final irritation; another, nervous prostra-tion; another, malaris; another, dyspepsie; bility; another congestion of the base of the brain; and so on through a long list of common diseases, the symptoms of all of which I really had. In this way several years passed, during all of which time I was steadily growing worse. My condition had really become pitiable. is given by using Brown's IRON BITTERS. In the Winter it strengthens and warms the system; in the Spring it enriches the blood and conquers disease: in the Summer it gives tone to the nerves and digestive organs; in the Fall it enables the system to stand the shock of sudden changes.

In no way can disease be so surely prevented as by keeping the system in perfect condition. Brown's IRON BITTERS ensures perfect health through the changing seasons, it disarms, the danger from impure water and miasmatic air, and it prevents Consumption, Kidney and Liver Disease, &c.

H. S. Berlin, Esq., of the well-known firm of H. S. Berlin & Co., Attorneys, Lo. Droit Building, Washington, D. C., writes, Dec. 5th.
