Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things, May be caused by kidney disease, liver com-plaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and mak-

ing the blood pure and rich. Logamport, Ind. Dec. r. res. Logamport, Ind. Dec. r. 1882. For a long time I have been as sufferer from stomach and kidney disease. My appetite was very poor and the very small amount I did ear disagreed with me. I was analysed very much from non-vetention, strine, I tried many remedies with no success, until I used Brown's from Bitters. Since I used thas my stomach does not bother me any stomach does not bother me any My appetite is simply immense. My kidney trouble is no more, and my general health is such, that I feel like a new man. After the use of Brown's Iron Bitters for one munth, I have gained twenty pounds in weight.
