Editorial Mention.

THE TIMES says that Charlie Ross may some home some time, but the Legisla-Two difference between Ohio unde

ondley and under Foraker is a mere tter of the order of victuals. Under orat Hoadley you buy your drink and they throw in a free lunch. Under Probibition Poraker you buy your lanch and they throw in the drink.

"Wno held the pass of Thermopylae nst the Persian host?" demanded a port tempher. And the editor's boy foot of the class lifted up his oe and epake;-"Father, I reckon; he holds a pass on every road in the country that rune a passenger train." Just boy's trousers. The cloud was no larger m a man's hand-with a strap in it.

and not Ohio, is to formish the battle be seen by the following figures": field for prohibition. The browers and war to the knife" against Mr. Wiles, and Temperance combined, 3,127. B publican candidate for Auditor General, because of his temperance. Letters Democratic majorities over Republican, are to be sent to all persons in the busi- 6,210, ness in the State asking them to use their influence against him.

As esteemed contemporary, which takes considerable interest in the Jersey Central war at present raging between Franklin B. Gowen and Roscoe Conkling, is a sturdy Stalwart and therefore an ardent admirer of Roscoe. The editor wrote a gushing narrative of his political idol and gave it to a compositor who transmitted it to the "devil" who ran the gauntlet of the proof reader and rushed Conkling into immortality with the following: "Mr. Conkling then entered the court on his head, a bandsome ourl upon his feet, large but well-polishal boots upon his brow, a dark cloud in bis band, his faithful walking stick in his eye, a menacing glare saying noth-

Muxico is the land of the marvelous; so that a miracle more or less dees not matter. The latest reports tell of a miner in New Mexico whose Bible fell over a precipice while he was dozing. He demended into the canon to recover the book, and found it lying open on a Massachusetts, Mississippi, New Jersey, himself are in very good taste. piece of rich quartz that had been dis- and New York. lodged by the fall. His eye fell on the seventh chapter of St. Matthew. The miner read, "Ask, and it shall be given unto you; seek, and you shall find." He didn't ask much but sought diligently and found a lode over two feet in width that essayed \$225 a ton. The story adds that the district has since been overrun by prospectors with Bibles in their

NOVEMBER STATES.

In view of the near approach of the November elections, the following comparison of probable coming returns with those of the most recent elections, which we take from the N. Y. Sun of last Monday, will no doubt prove interesting to our readers. Ten States will vote on Tnesday, November 6th, and in view of the result in Obio at the last election. much interest is manifested in the approaching contests, as bearing upon the Presidential contest in 1884. "For comparison," says the Sun, "we give the last election returns in each State as the fairest expression of the present popular opinion, and in every instance this meth-Ir may be that after all Pennsylvania od is favorable to the Democrats, as will
