Do you know hat they are developing as strongly, an comstrically, as repidly as they might? It is not emential that young men ansomen be positively bad or obtrusively lisagreeable, to fall short of what they should or might be. If we plant a tree of vine of the best variety, and allow it t row without special attention and train ng we know well what we shall find afte lapse of years. It may overspread a widrea of soil, with a useless mass of wood and uliage, yielding a few detective apples of ragged clusters of grapes, that are not poisonous, but such fruit is not in demand it the world's market, nor desirable for the home table. So the boy or girl merely lell to grow, develops much as the neglected vine. They may never become vicious, and may even be spoken of as good at heart, like the half-barren apple tree, but are scarcely worth the room they take up

Business is still booming at the STAR.

Our many customers will kindly accept our thanks for the liberal manner in which they have patronized us. To those who do not patronize us yet, but have such an object in view, we, here, publicly proclaim that they will be treated fair and honorably, that we will not overcharge them in a single item, but on the contrary, will offer them decided bargains in many things without employing the so-called LEADER SYSTEM, where a certain line of goods are sold at or below cost and double prices charged on others. TO ALL we would say that we are holding our trade with our customers and are constantly adding new ones, but still we have room for more and cordially invite you to try us.

Have decided bargains in Home-made Carpets, Floor Oil Cloth, &c. We lead the county in Sugar.

### Our Stock and Prices of COFFEES are unrivalled.
