Paper, THE

At the foot of the Green Mountains, South Adams, Mass., in 1820, was born At the root of the Green Mountains, South Adams, Mass., in 1870, was norm this woman who has so faithfully and devotedly obsenve the franchise of her sex at the ballot box. Her ingress into the ranks of the Women's Rights cause emanated from her early experience as a school teacher, her compensation being but eight dollars, a month, while men received for the same service from twenty-four to thirty dollars. After fifteen years of the closest economy she had saved only \$300 out of her meagre salary, while, had she received equal compensation for equal service her savings would have aggregated at least \$2,000. The contrast aroused her conceptions of injustice, and from 1852 has been one of the leading spirits in every Women's Rights Convention held in America; was all these years, and still is, the Secretary of the National Association.

KIDNEY-WORT

AYER'S Cherry Pectoral.

No other complaints are so insidious in their attack as those affecting the throat and lungs; none so trifled with by the majority of sufferpermaps from a trifling or unconscious exposure, is often but the beginning of a fatal sickness. Ayen's Cherry Petronal has well proven its efficacy in a forty years' fight with throat and lung diseases, and should be the state of the stat with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1857 I took a severe cold, which affected my lungs, I had a terrible cough, and passed might after night without sleep. The doctors gave me mp. I tried Aven's Curenty Preventat, which relieved my lungs, induced sleep, and afforded me the rest necessary for the recovery of my strength. By the continued use of the Preventat a permanent enre was effected. I am now 62 years old, hale and hearty, and am satisfied your Energy Preventation and my strength and the polar, cypress, juniper, maple black ash, eim, mulbirly, dogwood, personal managemy, curly maple and poplar.

Honace Fahrmother."

Hockingham, Vi., July 15, 1882. A Terrible Cough Cured.

Croup. - A Mother's Tribute. Croup. — A Nother's Tribute.

"While in the country last winter my little bay, three years old, was taken ill with croup; it seemed as if he would die from strangulation. One of the family suggested the use of Aven's Chirach Privokala a bottle of which was always kept in the house. This was tried in small and frequent desex, and to our delight in less than half an bour the intide patient was breathing easily. The decicite patient was breathing easily. The decicity of the State. Among the more useful and important are marl, iron, coal, peat, limestons, gold, copper, silver, lead, sine, mica, tin (very recent discovery) to describe patient was breathing easily. The decicity patient was breathing the patient was always to be a supplied to the patient was always to be a supplied to the patient was a supplied to the patient was a patient "I have used AYER'S CHERRY PECTORAL in my family for several years, and do not lessitate to pronounce it the most effective entedy for coughs and colds we have ever ried. A. J. CRANE." Lake Crystal, Minn., March 15, 1862.

"I suffered for eight years from Brenchitis and after trying many remedies with no suc-ess. I was cured by the use of Aven's CHEB ty Perforat. Joseph Walden." Bybnils, Miss., April 5, 1882.

"I cannot say enough in praise of AYR'S CHERRY PECTORAL, believing as I do that but for its use I should long since have died from long troubles E. BRAGDON." Palestine, Texas, April 22, 1882. No case of an affection of the throat o lungs exists which cannot be greatly relieved by the use of AYER'S CHERRY PECTORAL, and it will always cure when the disease is not already beyond the control of medicine.

spirits in every Women's Rights Convention held in America; was all these years, and still is the Secretary of the National Association.

A great many people suppose that "women's rights" is an eccentric 'hobby' with Miss Anthony. Not so. From 1857 to 1866 she was an ardent worker with Wendell Phillips and Lloyd Garrison in the anti-slavery cause and continued to advocate freedom for the negro until the emancipation edict gave them their liberty. She is also a great temperance worker, and, in fact, wherever there is a cause in which justice and the good of all humanity is involved, the voice, the beart and sympathies of Susan B. Anthony is foremost in the contest.

Miss Authory has a fine figure and large, well-shaped head. The world calls her cross-grained and angular. She has indeed her peculiar ways, but they are only exterior. Her nature is a broad, generous and sympathetic one, though she never weeps or sentimentalizes. Our likeness well portrays the strong character of Miss Anthony, and our readers can rely upon its being a faithful reproduction of an excellent photograph very lately taken. dressed," said the clerk, who had de
