Here is material for dramas converties of the Manichin Live Stock At a meeting of the Manichin Live Stock Association at Miles City, Montane, a few days since, a petision was prepared to be sent to Scoretury Teiler statung that to be subsistence furmished the Cheyenne Indians has been tarely sofficient to keep them has will be a candidate before the Democratic convention. If it should ignore him then has been tarely sofficient to keep them

has been baroly sufficient to keep them from starving and if the Government makes no further provision for them, they have one or two alternatives left them—to renew their depreductions on the stock men or to starye. While the Indians cannot be blamed for scaling as a last resort to keep themselves from starvation, the stock men on the other hand, cannot be expected to submit to the destruction of their property without a effect on the stock ment

blood shed. The volley had the effect of clearing the juil, but tor two hums thereafter efforts were made on the entiside to destroy the building. A barcel of coal uil was poured down into the lower part of the juil and set on fire, but the officers within managed to entinguish the flames. The keeper's office firmished some wood, and that was also fired; but, as the juil is mainly of skone and irror, this effort was fulls.

Mr. Sherman has always manipulated machine politics, is manifesting itself now when he says that, "believing that the convention when it meets should be free, uninstructed, and in shape to do the very best thing for the whole party, I bave counseled my friends to that end, and I do not find that condition of things to justify my being a candidate that found four years ago." Putting this and that together, then, we are to assume that Mr. Sherman's candidacy
