LEHIGHTON, PA. SATURDAY, MAY 19, 1884.

Entered at the Lehighton post-office as Second Class Mail Matter.

### NOT CARDIDATES(1)

he is the last man in the party that the the country. office-bolders want to see in the White House. Mr. Edmunds is a man who, if he knows all the tricks in trade of politicians, will not adapt himself to them, and will not be counted in as a particiwhich are to be expected of the average politician. But, like Blaine and Lincoln got magnetism, and magnetism is runping his campaign on its own book. Lincoln is not a candidate, but the very children are crying for him because his name is Lincoln, and therefore he unconscionsly falls into the hands of his friends. Logan is not a candidate in double-back action stub and twist boom, G. A. R., at the other, Nor is Mr. Tilden a candidate; if he were, you would not bear of these politicians visiting Gramercy Park in squads, companies and battalions. And what in the world would Mr. Randall and Mr. Hendricks and Mr Morrison and Mr. Cox and the cratic fold be calling upon the Sage for if it were not to get his disinterested advice and receive his Democratic benedictions? The only thing absolutely positive about Mr. Edmunds' candidacy is his own declaration one day that he was not a candidate, and the next going upon a still bunt for a nomination. Such is political

THE MORRISON BILL KILLED. The galleries of the House of Repre-

sentatives were crowded Tuesday by men and women who desired to bear the final debate on the Morrison Tariff bill, and to witness the result of the effort which it was known would be made to kill the being in Committee of the Whole Mr Randall arose and with great clearness and force presented his objections to the bill. He made an elequent and a convincing speech. Mr. Blackburn defended the bill and opposed Mr. Randill's proposition that the internal reve n ie taxes should be repealed. Mr. Kassou closed the debate in opposition to last of the speeches. As the Clerk began to read the bill Mr. Converse moved out of the alleged jealousy of Lincoln that the enacting clause be stricken out. of Swain's once great influence with Garthat the enacting clause be stricken out. of Swain's once great influence with Gar-Much excitement followed, and bisses field, hankerchiefs and bats. The committee then arose, and its action was reported to the House, whereupon it was confirmed by a vote of 159 year against 155 mays. An analysis of the vote shows that three Republicans, all from Minnesota, voted against the killing of the bill, and that

JOHN MARSHALL,

Chief Justice of the United States. Erected by the Bar and Congress of the twenty States. United States, 1884.

Shortly after the death of Chief Jus-tice Marshall the Bar Association of this industry in the last three years is, in-Philadelphia commenced to raise a fund to creet this measurement, and for this country come assuring sounds of encouragepurpose succeeded in collecting a sum which, with accrued interest, now amounts to \$20,000. To this a like sum of

ss is said to be good.

When the new marble stairways, leadcontemplated improvements to the Capi-tol are completed, the selection cannot ail to meet popular approval.

THE EDMUNDS-BLAINE PHELPS EPISODE.
The Edmunds-Biaine-Phelps episode has become a topic of thrilling interest bill on the spot. After two or three clares that "this is scraping along the brief speeches had been made the House ladge of hed rock."

THE BLAINE VIEW OF IT.
A friend of Blaine's said to night: "It amuses me to see Edmunds stirred up at last. He finds that the road of a Presidential candidate is not a pleasant one. He is now down in the arena where he will have to take the buffetings, abuse and misrepresentation that comes to a man with Presidential aspirations. It may teach him some charity for Blaine after he has been knocked about Blaine after he has been knocked about for a few weeks and made to suffer from the howls of prejudice over a perfectly proper act. When he has gnawed the proper act. When he has gnawed the file of making a defense which his enemies will call a confession, then he will realize that perhaps after all life upon a

Manifectors, May 3, 1884.

One of the surest signs to at Washington is beginning to have attractions for people who wish to make it a permanent place of residence the year round, and who are not compelled to be here by reason of holding office, is that an unusual number of fine paintings and works of art are to be seen this season in many houses. These works of art used to be left at home, as a rule, by does not show the slightest sign of extended the lattery view of Democrate voted in favor of killing it.

In the lattery view of Democrate voted in favor of killing it.

Col. Chars. Madee, who holds Senator Cameron's proxy as member of the National Committee from Pennsylvania, is authority for the statement that the Senator will reach home from Europe about May 18. There is some significance in this, as there also is in the fact that Col. Magee prefers John Shorman to any other probable or possible candidate, and is earnest in his support of the Obio stateman. We may now disclose a fact which has never been known to the public. At Chicago four years ago, Col. Magee pleaded extractly, but inself-colustly with Senator Cameron to the public. At Chicago four years ago, Col. Magee pleaded extractly, but inself-colustly with Senator Cameron to the public. At Chicago four years ago, Col. Magee pleaded extractly, but inself-colustly with Senator Cameron to the public. At Chicago four years ago, Col. Magee pleaded extractly, but inself-colustly with Senator Cameron to the public. At Chicago four years ago, Col. Magee pleaded extractly, but inself-colustly with Senator Cameron to the public and th

Bank of New York on Tuesday, in consequence of the suspension of Grant & Ward, has caused considerable of a pantic in financial circles. The cause of the and turned according to the partiality of those making the celculation. The New York Tribune, for instance, gives Blaine 238 of the delegates elected prior to to day's conventions, or within 53 of enough to secure the nomination, while the Chicago Inter-Ocean silows him but 139 for the same period, and claims 300 for Arthur. Of the delegates already elected to the Convention fifty belonged to the 305 who stood by

THE RESULT OF THE COMPETITION FOR THE SILE CULTURE PRESIDES From Philadelphia Inquirer, May 2, 1884.

The chief attraction at the silk culture exhibition at Horticultural Hall last night The premiums were awarded on the basis of the quality and quantity of recled silk yielded by each 108 eccous There were seventy seven entries from twenty States 1. W. W. Bowman, Cashier of the above-ramed bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.

for premiums, which amounted to \$500. Mr. Clarkson Clothier, in awarding the

I come forward this evening to announce I come forward this evening to announce the award of the third annual premiums offered by Strawbridge & Clothier to the silk culturists of the United States through the Women's Silk Culture Association. On the first occasion, the number of contestants was twenty-six, from four Suites; on the second occasion the number was thirty three, from eleven States; this year we have seventy aventy companies. have seventy seven competitors, from

remiums, said:

It is but fair to assume that the growth of silk culture is to be measured by these figures, and the astonishing development of

The industry has developed wonderfully in California, to which State the first pre amounts to \$20,000. To this a like sum of \$20,000 was appropriated by Congress a few years ago. The work was assigned to W. W. Story, who has produced a brenze figure in a sitting posture draped with the robe of office worn by the Chief Justice of the United States. The figure is twelve feet high, and the likeness is said to be good. When the new marble stairways, leading to the western entrance of the Capitol are completed, Marshall's statue will be on the plateau midway between them, a toreign steam reel which is now running facing west, with about fifty feet space intervening between the statue and the marble wall, which is to take the place of the Bar Asselected by a committee of the Bar Asselected by a

lact, and we see that silk culture, which needs only time to become a great national industry, is successfully being illustrated in all its stages in this country at the present. This is a state of affirirs that is especially gratifying to every citizen, and while we measure the importance of these results thus far attained, it must not be forgotten that to the fostering care and patient work of the members of the Wenney's Sitk Col. of the members of the Women's Silk Cul paign. Underneath all this preliminary teneing there is something seen of a deadly purpose of the two principals, Blaine and Edmunds. directed energies have produced them, we shall but be giving "honor to whom honor is due."

First premium, of \$108, to Miss E. Weol-

ston, Pemberton, N. J. There were 160 cocoons to the quarter pound, and the yield in realing, 1 21 100 counces of silk, and 2 79 100 counces of waste. One hundred cocoons yielded 76 100 of an ounce of realed silk. White mulberry was used in feeding the works.
