Read What a Patient says of it:

"The Pastille I purchased from you in August  
year to my house considerably. When I first  
had my mind to take it, I did not know what  
myself expected, for I certainly did  
not expect it would be completely relieved under  
one month. After taking it about two months  
I was perfectly relieved. I am now using it  
from time to time. I am in a position to say  
that it is a good medicine. I have never  
been ill since I took it."

## Thomas' Drug Store.

OUR KIND OF MAN.

BY JAMES W. EILEY.

I.

The kind of man for you and me.

He faces the world unflinchingly,

And smiles, as long as the world resists,

With a knuckled fist and force like fire;

He lives the life he is preying on,

And loves what men need is the need of love;

His voice is clear to the deaf man's ears,

And his low soliloquy through the blind

man's tears;

The light shines out where the clouds were

dim;

And the world prays go up for him;
