When he had paused the sounds of the had paused the sounds of the had paused also.

Real Estate and Loan Agents,

All his evenings and the greater portion of his nights were passed thus. His than she displays signs of foregoing in cheeks grew hollow; his eyes alone one moment all that happiness which seemed living in the depths of their or- she has waited till old-maidhood to obbits and shone with a supernatural bril- tain. She falls breathlessly into the liancy. He no longer had more life than arm-chair under the window in a whiri

sufficed to feel and suffer. A friend became alarmed and sought possible to choke her, at length vent o discover what Rodolphe did is that themselves in a duet of laughter and chamber.

It was the third anniversary of Borthe's death. Redelphe again filled the cham- ultaneous exclamation of "Oh, Guy!" ber with flowers; be limself was furn- and "Mary!" and then the most delici-But England wanted Jacky, for war was in ished with a bouquet. He had strewn one little fainting scene, in which, to the the bed of the dead woman with roses borror of the mahogany witness, that re-

picked to pieces. Then, at sunset, he took his seat and sudaciously repeated by the original played Berthe's air.

The friend had concealed himself behind a curtain; be trembled on hearing the sounds of the harp mingle themselves with those of the flute. Rodolphe sank upon his knees and prayed.

Then the harp played on alone; the friend saw the strings vibrate, though no hand touched them. It played a celestial melody that no one had ever heard before, and that no one will ever hear again. Then it resumed Berthe's air. When it was finished all the strings of the barp suddenly broke and Rodolphe feil to the floor.

The hidden spectator remained for some time as motionless as his friend; then, when he went to raise him, Rodolphe was dead.

Miss Martingale's Picture.

Though Miss Martingale's worldly goods are no small total, as you might guess from her comfortable little sittingroom, there is nothing among them all that she would not willingly lose in preference to the insignificant looking piece of cardboard lying on her table before her-a rusty old photograph of a once young and manly original.

Miss Martingale was one of the most spinsters that ever wore black silk. Why she should be poring over a young man's tace and gazing into a young man's eyes with an excression as sentimental and garden. It was the hour sacred to souv- and tale may not be attached to Miss sairs; Berthe was playing her favorite Martingale's keepsake? Perhaps it is the Lorge size \$1.000. air upon the barp, but suddenly she one remaining relic of some departed brother, or perhaps of one nearer and dearer still, who looked upon Miss Marceased to agitate the foilage. Berthe re- tingale's neatly braided hair before traces

commenced the air and again she heard of silver were discernable in it-possibly kissed the pleasant features years ago betore time had imprinted tender sorrow lines upon them. Index are they still pound. opes, and her eyes on one with the address in a masculine hand, "Miss M. pitcher without falling in, he will gain Martingale, care of Mrs. Dormer, Hat- everlasting fame. When she felt her end approaching she warm well suddenly obscures her line of need by administering Dr. Haines' vision, and a tear and a sigh fall to-

our child; I must abandon you and wait "What a silly creature I am, to be without the knowledge of the person taking for you in a better life. If the dead have sure!" Miss Martingale soliloquizes, as it, effecting a speedy and permanent cure, power to reappear upon the earth you she steps to her deak to lock up the whether the patient is a moderate drinker will see me again; my shade will wander photograph packet in the most secluded or an alcoholic wreck.
