Among the many articles on exhibition are greatly excited, and had they cought we noticed the followings. A special feature of the lair was the ex short shift of him. Acts of incendiasism hibit of the Lebigh Stove and Man'Pg Co., have been so numerous of late late, both in freedomend Hood's Sansayantha white of town. This company occupied the space the city and caunty, that the formation of great deal of piccounce. Very truly yours, on either side of the main entrance of the a vigilance society is agilated. hibit of the Lebigh Stove and Man'Pg Co., have been so numerous of late late, both in exhibition building, and it was a suprise to some, even of our own people, to see what Saturday morning a couple of ge some, even of our own people, to see what a large variety of stoves and ranges are who visited Mud Run, a short distance now being manufactured here at home. above Saudt's Eidy, in seach of fish bait, The effect of the exhibit was heighthened found the dead body of a man lying at the taking ILOOD'S SAIN by a testeful display of bunting and gay | fact of the wall of the bridge leading seroes banners; and the goods shown attracted a the run. The body was identified as that Sold by all druggetes. Trice \$1.0 buttle to great deal of attention. But the most in teresting part was the display of Bessemer been working for Jacob Luthenberg, the CO., Apothecarica, Lowell, Mana. ranges made by this company. The ranges contractor, for the past three years. During Hood's Taoth-Pounics, Only of Conta were shown in the various styles in which the time he has lived by himself and done they are manutastared, from the plain range his own cooking. On Wednesday he went to the full nickled skiriting, craamented, to the hotel at Sandt's Eddy and remained high shell, &c, of the more eleborate styles | there Wednesday and Thursday nights. One of the ranges had a cheerful fire burn | Friday lie left there about 10 20 o'clock ing in it, Mrs. Amanda Arner, who is well known to all as a most axadient cook, presided at the range with saill and grace, and was kept occupied during each day of the tied up in a handkerchief. When he

fair in showing the powers of the range by distributed free to all who wanted to sample people were her fortunate patrons. This novel f enture of the fair was devised by the company to more thoroughly advertise the r goods, and we do not think that they ever had an advertisement which will be more productive of good results. In addition to this, very pretty and unique eards were who attended the fair failed to carry away a favorable impression of the goods made Packerton Itemsby this company. The Bessemer range is becoming so well-known as to need no econium from us, and we hope that all the with the board of directors and are threatnew goods which this company are getting | will with an injunction if they refuse to out from time to time will meet with as vacate the building.
