A MEDAL has been struck in comment oration of the bundredth auniversary of Methodism in this country, and is sold in duplicate by anthority of the Bishops. The case opens like a book, and in the central portion, surrounded by velvet, the medal is so fixed that both its sides are exposed when the cover is opened. An exchange says: A pastor reprets that he lately found a convert kneeling before it in adoration, using it for an idel. He has heard that such a perversion of the object is common among the negroes of
