A SONG OF INCONSTANCY.

BY PERSON O. MARY. Ih white is the lily, the whitest of flowers, And its breath the sweetest I ween. But across on the river's farther side

Are flowers I never have seen, o I'll wear these to day, my lilies white, To morrow cross the river wide, And gather the flowers, rare new flowers,

Tast bloom on the other side. impalt on my weist, my snow white dove, Long time you've been my pet, dear one, But I saw a bird, a breve brown bird, On a dew wet branch as day begun.

Oh, the robin's breast is red as a rose, And I'll spread such a conning znarel and eateh, who knows, that brave brown bird, My home and my love to share,

Toledo Blade DAY BY DAY. A little older every day. A little nearer to the cluser Nearer the ending of the fray.

Nearer the long repose.

Nearer the time when o'er our head Shall spring the blossom and the grass, And friends will murmur, "He is dead," As by our tumb they pass. Nearer the time when we shall cast

An anchor by the mystic shore;

And see and feel and know, at last,

What we could not before. Abt how the years go rolling on! How short the step to manhood's prime, How soon the gold of life is gone Into the vaults of time!

THE WITCH'S RING.

tune. In the course of my ramblings in the old disused burist ground I found an old stone, and on it I rend the words: BARBARA CORNWALL BURN 1620, DIED 1650. AGE 60 YEARS. Lawfully executed for witcheraft.

GENERAL INSURANCE AGENT Old Burbara was tried condemned, and longed, protesting innoceases to the last The little money found in her possession was used to buy that gravestone; and to pose I should feel just sol! this day if any one were bold enough to TRAVELERS ACCIDENT INSURANCE Also Pennsylvanie and Minimal Racio Third etoc iverse Insurance Computer.

> out a hand over the grave, she would appear to him and place in his band a

turn to claim her own.

glunning at the inscription, I was surprised to find that very day was the 200th nuniversary of ber death. The world was wild and weird that night when I stale forth from the village. Citmbing the low stone wall. I made my way to that dark dreary corner where the old witch reposed. By and by the village clock tolled 12 Mechanically I

told, but my lips refused to form a sound. Still I stood, in that awful, black si-

the grave and grosped—a hand. It was only for an instant-not that, for it was j-rked away in a twinkling out long enough to feel how warm and velvely it was, and how very small. I cleared the old wall at a bound and was out on the moenlit read, walking toward town. The touch of those fingers thrilled me as with an electric shock. Gradual ly the consciousness forced itself upon hands-a ring set with a flashing stone.

On reaching my room at the little ion I sat down and examined the ring. It was curiously carved and massive.
