AYER'S

Cherry Pectoral. No other complaints are so insidious in their situal as those affecting the throat and lungs; me so trifled with by the majority of suffer rs. The ordinary cough or cold, resulting echaps from a trifling or unconscious exceure, is aften but the beginning of a fatal charge. Aver's CHERRY PROTORAL has cell proven its efficacy in a forty years' fight with throat and lung diseases, and should be taken in all cases without delay.

A Terrible Cough Cured.

"In 1831 I took a neves cold, which affected by langs. I had a terrible cough, and passed aight after night without sleep. The dectors may me me up. I tiled Aven's Curany Precionat, which relieved my lungs, indued seep, and afforded me the rest necessary for the recovery of my attength. By the continued use of the Precionat a permanent cure was effected. I am now 67 years old, hale and hearty, and am satisfied your tilenay Perforat saved me.
